Summer Work In Recreation To Close Soon

The Chamber of Commerce is having its annual program at the close of the summer playground activities Friday, August 10. Cecil Massey relates that it will be a field day for sports and contests. In fact, most of the contests you can imagine will be represented at this climax of the season's sports program. Four lovely trophies will be given away and there will also be a watermelon feast to make the program even more delightful.

During the summer the activities of the various playgrounds have been conducted in the form of a tournament. Friday will be the climax to all these and this program will be held at the High School playground.

Contests will consist of egg throwing, three legged races, sack races and other delightful activities. There will also be archery and croquet contests. Last year about 200 children were present and more is expected this year. Winners this year, as last year, will be divided into two groups. The smallest girl winner and the smallest boy winner. The largest girl winner and the largest boy winner. Last year the winners in the smallest category were Donnie Ford and Martha Harding. The largest were Jo Ann Mickey and Buddy Thompson.

Skating and square dancing will continue to function as usual. The activities of the playgrounds are shortened each year because student teachers usually direct this work and they must have time to prepare for their own stepped up fall program.

Marie Fronabarger Succumbs Thursday Morning at Home

Miss Virginia Marie Fronabarger died at her home Thursday morning, August 2. She had been ill for 11 years.

Miss Fronabarger was born October 31, 1898, at Weatherford, Texas, and came to Canyon in 1915 when her father, the late Rev. B. F. Fronabarger, accepted the pastorate of the First Baptist Church.

She followed the family tradition of entering the teaching field, and she worked at her chosen vocation for 21 years. Her first teaching job was in 1921 at Sophia, N. M. Later she taught for three years in the Canyon Public Schools and a year at the West Texas State Demonstration School before going to Amarillo. She taught first grade until she retired in 1942.

Miss Fronabarger was a member of the Texas State Teachers Association, the Association of Classroom Teachers and many other professional organizations. She was a member of the First Baptist Church at Canyon and was active in the Hundley Circle of the W. S. C. S. She was a charter member of the Music Arts Club of Canyon.

Survivors include her mother, Mrs. Virginia Lee Fronabarger, the sister, Miss Elva Fronabarger, principal of Canyon Elementary School; two brothers, Dr. B. F. Fronabarger, head of the English Department at West Texas State College, and Luther Fronabarger, rancher, 20 miles east of Canyon.

Funeral services were conducted at 4:00 o'clock Friday afternoon in the First Baptist Church by Rev. Truett Smith. Arrangements were under the direction of Griggs-Warren Funeral Home.

Visited Here With Mrs. J. A. Hill at Neblett Hospital

Sons of Dr. and Mrs. J. A. Hill were here over the week-end visiting with Mrs. Hill at the Neblett Hospital. Mrs. Hill suffered a heart attack on Saturday night of last week, and another attack before her sons arrived Wednesday night. Davis Hill and daughter came from Galveston and Joe Hill from Columbus, Ohio. Joe was just starting on a business trip to California when called to come to his mother's bedside.

Mr. and Mrs. Frank P. Hill, publisher of the Tahoka News, were here Sunday to visit with Mrs. Hill.

The daughter of Dr. and Mrs. Hill, Mrs. Leona Hill, lives in Borger and has been here since her mother became ill.

Coopers Buy Grocery At Tucumcari, With Neil to McLean

Neil Cooper left Sunday for McLean to take charge of the grocery business which has been operated in years past by his brother, John Cooper. John has bought a grocery store at Tucumcari, which is larger than the Cooper store in Canyon, which is managed by Clay Cooper.

The three boys received their training in the grocery business under the direction of their father, the late C. O. Cooper, who was manager of the Canyon store for several years before his death.

Dollar Day To Start in Canyon Soon

There's a move in progress to bring Dollar Day values to Canyon. In an effort to create better business in Canyon and encourage local citizens to do their shopping at home, a survey is being made of all the merchants to determine whether or not they wish to provide Dollar Day values to the shoppers.

The committee making this survey is made up of Clay Cooper, Chairman, Mrs. Gladdis Samples, T. A. Black, and Gene Root. Gene Davis and O. W. Parker also assisted in the survey. Although the survey is not yet completed, the major portion of it is done and it should be completed by Thursday afternoon. In case any merchant was missed it is desired that the Chamber of Commerce be contacted and a questionaire be filled out. This is necessary in order that this particular merchant can participate in the Dollar Day activities.

Sometime this week the directors, or the local chamber, will meet to set the opening date for Canyon's first Dollar Day. This date will be determined by the manner in which the merchants have answered the questions on the survey that is presently being conducted. According to the survey thus far, the first week of the month is indicated as the preferred week. The actual day seems to be a tug-o-war between Friday and Wednesday.

One of the questions asked merchants was, how long they would be willing to carry on with Dollar Day? The popular choices in this category were 6 months and one year. The actual length of time in which Dollar Day values will exist from this first effort will also be determined during the meeting of the board of directors.

It is hoped that all merchants will take part in order to make Dollar Day a success in Canyon; therefore each and everyone is encouraged to fill out one of the questionaires as soon as possible.

Last Production Children's Theatre Scheduled Aug. 16

The summer group of the Canyon Children's Theatre will make its second and final appearance Thursday, August 16, at 8:00 in the Education Building Auditorium.

"Once in a Hundred Years," a Chinese fold play, will be done entirely by seven girls, including three sisters. These girls are making their own costumes as well as acting in the play.

A larger group of children will present "The White Canoe," an Indian legend in dramatic form. Each child in this play is responsible for doing the gay colored decorating of his costume in order that the children gain more than just acting experience from this summer program.

Several variety numbers, as well as a special marionette act done by one of the adult supervisors, will complete the program.

This summer program for young drama enthusiasts has been conducted jointly by the WT Speech and Education Departments and the Canyon Community Recreation Department.

T. S. Stevenson Moves to First National Building

T. S. Stevenson moved his loan business Monday to his new location at the northwest corner of the square in the building formerly owned by the First National Bank. Mr. Stevenson recently bought this building.

The old location of the Stevenson Finance Co. and Randall Motor Co. is being taken over by T. S. Stevenson, Jr., in connection with his Pontiac and GMC business.

Six Men Called For Induction on Next Thursday

Six men have been called for induction into the armed forces on next Thursday, August 16, by the four-county Selective Service Board at Hereford. The following men are named for induction:

Charles Z. Taylor, Portland, Ore.
Cecil M. Hamm, Hart.
Eugene Broyles, Muleshoe.
John S. Boling, Canyon.
Pat Campbell, Amarillo, Route 4.
Floyd McGee, Jr., Hereford.

Work Started New Addition to First Presbyterian Church

Work has begun on the addition of the Education Building of the First Presbyterian Church. It will facilitate the nursery, kindergarten and primary group. The new building will be located directly behind the church. Work will be completed the first of October.

HARDEN BACK AT OFFICE

W. H. Harden was back at his office Monday. He underwent an emergency operation while on a vacation trip in Colorado, and was flown home two days after the operation.

He is recovering nicely from the operation.

Mr. and Mrs. T. R. White and daughter have moved to Big Spring for about six weeks. Mrs. B. B. Bullard accompanied them. She will remain about one week.

Contract Let For Paving Several Streets in Canyon

A contract was let Monday night by the City Commission for street paving to Bell & Braden of Amarillo. This firm is now doing work in the Palo Duro State Park and widening Highway 87 through Canyon.

Mayor Andy Walsh stated Tuesday morning that the city pays one-third of the cost of pavement and the property owners on both sides the balance of the cost. The bond issue totals $35,000.

Mayor Walsh states that he believes that this amount of money will pave practically all of the streets on which petitions have been submitted by the property owners. Other property owners will probably submit petitions as soon as work gets underway.

Season Tickets To Buffalo Home Games on Sale

Persons owning last year's season tickets for West Texas State College football games may, if they desire, pick up the same tickets this year between August 18 and September 1, reports coach Gus Miller. After September 1, tickets will go on open sale. Anyone desiring tickets should contact Bob Clark, at Campus Shop in Canyon, Post Office Box 297, telephone number 688. In Amarillo contact Rupert Taylor, telephone 6-6063.

In Amarillo the price for sections C D E P or Q is $2.40. General admission is $1.80, childrens' tickets, 75 cents and season books $12.00.

H. F. Maddox Dies in Arkansas

Mr. H. F. Maddox passed away in Veterans Hospital at Fayetteville, Arkansas, Friday night, July 3. He was 60 years old. He is the father of F. A. Maddox of Amarillo, formerly of Canyon.

First National Bank Is in New Building

With the move of the First National Bank to its new building north of the postoffice, new hours of business were announced by W. C. Black, president.

The Bank will remain open through the noon hour, instead of closing as was the practice during the war. Banking hours are from 9 a. m. until 3 o'clock p. m.

On Saturdays, the Bank will close at 12 o'clock and will not reopen for the afternoon.

Business houses are urged to get their banking business transacted early in the morning of each day, and to lay in enough change before noons of Saturdays to run for the balance of the day's business.

In spite of the fact that the doors for the bank building are not here, practically all of the balance of the work on the bank has been completed.

During the past week the banking force has been arranging records and fixtures in order to keep the banking business going in smooth operation. It will probably be several weeks before all of the work on the bank building will be completed due to the shortage of materials.

Mrs. Jim Latimer and children are visiting her mother and father, Mr. and Mrs. C. Warren of Matador.

First National Bank Moved to Its New Banking House

Officers of the new Bank Building wait on the first customers of the Bank in its new location, just north of the post-office, in the top panel. Mrs. E. D. Harrell and R. E. Baird, pioneers of Randall county were the first customers at the windows; second panel, President W. C. Black and R. E. Baird talking about the beautiful new building; lower panel, the first group of customers of the Bank in the new lobby of the Bank.

V. F. W. Has a Fine Home North Of City Old Road

The members of Canyon's V F W Club have a nice new building to call headquarters. The building is situated a short distance northwest of Canyon. Grounds about the building are prepared for picnics and fishing to enable the members to enjoy several kinds of recreation.

For the few years that it has been in existence, the Canyon V F W has done very well. Membership numbers near the hundred mark and they already have a nice, new building. The club was formed after the second World War. Members hold business meetings each first and third Tuesday of the month.

'Peeping Tom' Is Again at Large, Molesting Girls

The daughter of Mr. and Mrs. Happy McAtee was the victim of a "peeping tom" Sunday night as she went to her room to retire. She glanced into the mirror on the wall and saw the face of a man or boy at the window.

She let out a scream which awakened the household as well as some of the neighbors. Mr. McAtee gave chase but was unable to catch the person.

This was the second time that a "peeping tom" has been found at the home. The first boy was found by Gerald Warwick several weeks ago as he and his family were driving down the street in front of the McAtee home.

Mother of Mrs. Ollie Harrison Died at Hutto

Mrs. Mary Frances Miller died Tuesday morning at her home at Hutto. She has been in very poor health for several years. She would have reached 97 years of age next month.

Mrs. Miller was the last surviving pioneer of Williamson county, having migrated from Tennessee to Texas in 1879.

Mrs. Harrison did not attempt to go to the funeral because of the excessive heat wave. She had visited her mother only a few months ago.

Baptist Center Is Moved For Building Of New Center

The building which has been used as a Baptist Student Center has been moved to the east part of the church's property in order to make room for construction of the new center which has been authorized by the church.

An attractive Center will be erected on the west part of the grounds, where the former residence and center building has stood for several years. The new building will be in front of the Administration Building.

Young People Enjoy Swimming and Treat

Thursday evening, a group of young people met at the outdoor swimming pool for an hour and a half of games and a refreshing swim, after which the group went to the home of Willie Mac Weaver for refreshments of cake and ice cream, and more games in the lighted yard.

A most enjoyable time was had by all of the guests which included:

Peggy Maynard, Wanda Sheets, Jean Stone, Dan Gayler, Bobby Vandergriff, Billie Thompson, John Miller, Harold Root, Rae June Cabe, Zora Lou Stone, Johnny Ladd, Lynn Williams, Joyce Keller, Ann Wortham, Wynell Weatherred, June Wortham, Steve McKee, A. C. Wimberly, Gordon Williams, Doyle Bourn, Buddy Thompson.

Jerry Martin, Joe Dickerson, Buddy Hood, Carol Duncan, James Joyner, Grace Sheets, Lynn McKinney, Billie Piehl, Janis Waldrop, Shirley White, Sue Ann Kinney, Vicki Weaver, Mike Hood, Helen Hood, and Willie Mac Weaver.

Virginia Patterson, Mrs. J. W. Hood, Mrs. Leslie Key and Mrs. D. R. Weaver helped to serve the guests.

Thompson Hard. Co. Announces GE Contest of $8,200

C. L. Thompson, manager of Thompson Hardware Co., General Electric representative in Canyon, is announcing a big GE-sponsored contest in which $8,200 in prizes will be given away in this territory. The grand prize is an 8-foot General Electric refrigerator.

Details of the contest will appear in next week's issue of The Canyon News.

EDITORIAL COMMENTS

Senator Connally Jumped on Idea of Saving Small Nations

Senator Tom Connally got as hot as a firecracker up in Washington the other day and proceeded to eat out one of the free spenders of the State Department.

It seems that this financial agent was trying to talk Congress into the idea of wasting several million dollars on "wobbling nations," as the Senator termed them. These nations are located in Southern Asia.

Connally called the hand of the agent in his determination to "save the world" by spending the United States into bankruptcy.

While Connally has usually been termed a friend of the Truman administration, Washington correspondents termed the attack as the result of fear on the part of the Senator as to his seat in the upper chamber following next year's election. It is a well known fact that both Governor Shivers and Martin Dies are being urged to get into the race against Connally. If a three-sided race develops, Connally would be in the runoff with one or the other of the two opponents. However, if Connally has to face Governor Shivers alone there are plenty of folks right here in Randall county who say they will desert the Senator in favor of the Governor, voting for the younger man. They would do so on the ground that Connally is getting old and has been too much of an administration follower, in the wasteful spending of Truman.

President Truman regretted in his press conference that Senator Connally feels the way he does about spending. The President is one of those fellows in Washington who seems to think that the financial well will never run dry. In this he is wrong, entirely wrong. In the near future we are going to wake up a broke nation unless some one in authority gets sense enough to put on the brakes.

We are mighty glad that Senator Connally has heard from home. The people of Texas are sick and tired of wasting money just to "save" some little old nation which is doing nothing to save itself. If the commies got most of these "wobbling nations" all they would get would be a big headache, with no benefits.

Texas Won Victory in House on the Tidesland Issue

The victory for Texas in the House of Representatives on the tidelands bill was overwhelming. It indicates that the House can easily override the veto of Truman when the bill is returned from the White House, as it certainly will be.

Senators Connally and Johnson are using all pressure for early passage in the Senate.

Opposition is that the oil money should be distributed to the schools of all states, rather than the schools of Texas. Those who advocate such a thing forget the fact that Texas was an independent nation when the tidelands were given to the state. Perhaps if Texas had remained independent, some free spender in Washington would be willing to send us billions of dollars to protect us from the commies rather than bleed us to death in order to waste the money on little nations of Asia which would be of no earthly good to anyone.

Who Are the Reds Fighting in Korea? No, Not "Volunteers"

We have been wondering just who the Reds fighting in Korea really are, and why they are there.

Red headquarters in China and Russia say that they are merely "volunteers" who are on a vacation spree fighting in Korea. They are getting killed by the thousands while on the vacation.

While the Reds disclaim any connection with the war in Korea, just keep in mind the fact that the Reds of China and Russia are furnishing all of the material that they can get their hands on, and are directing actions of the group which is meeting on the armistice problem.

Do you still wonder who they are? No, indeed, we know that they were sent there under the direction of Moscow, and that they will continue to fight just so long as Stalin tells them that they must fight.

Boyle Is "Not Guilty" in the Eyes of the Man in White House

According to the President, all men connected with his administration are "good men." It seems that in politics all men who are in power are beyond criticism.

Truman says that he will "investigate" the charges that Democratic National Chairman Boyle accepted a fee for getting a loan from RFC—your money.

You understand that RFC has been under fire for some time; that various people connected with RFC and the administration have been under fire; that Truman called all of this a "red herring."

While we do not believe half of the stuff that is circulated about men in politics, just half of the evidence is enough to convict most of these fellows in the minds of fearless persons.

Just when the President will "investigate" is not disclosed.

The easiest way to finish a hard job is to get to work. After the start is made, the finish is near at hand.

The best laid plans in the world will not produce dollars unless they are backed by energy and hard work.

It's getting so these days that you can't judge a man's bank account by the size of the automobile he drives.

You can get free advice almost any day of the year and work out of the difficulty for the next six months.

Every man and woman has to settle the problems of life for himself or herself. No one else can do the job.

Events in Korea indicate that even the fanatical Communists get tired of being killed.

If you want to get rich, learn how not to spend.

Lawrence Hagy Sees No Danger of Immediate War With Russia

While there is a divided opinion as to the danger of immediate war in Europe with Russia, public opinion is definitely swinging toward the theory that there is no immediate danger of war.

Lawrence Hagy, former Mayor of Amarillo and a well known oil executive, spoke in Canyon last week, giving assurance that we faced no immediate threat of war.

Of course Hagy is better informed on Europe than the man on the street, having visited there several times in recent years, and having served with the American troops in Russia during World War II. While Russia may have in mind only that she shall keep us scared rather than start a war, no one knows just when or where the shooting could start if some crazy fool should decide to start a war. Stalin may be in such a dangerous position at home that he would be willing to start a war in order to hold on to his job. Any man who would allow his daughter to spend a million or so dollars on her wedding is no safe man for leadership.

On the other hand we have in the White House a fellow who wants to stay in office and play Santa Claus to the balance of the world. Truman might tip the scales in favor of a shooting war in his great ambitions to be another "war president." While this is very unlikely, yet it could be done.

Hagy called attention to the lack of oil in Russia as the retarding fact of war. While this may be true in regard to a long drawn out war, let it be remembered that a short devastating war could be fought by Russia in most any part of the world. Mr. Hagy called attention especially to the fact that the big plane which he rode from Europe to Boston used 8,000 gallons of gasoline. Russia does not have the gasoline to send many big bombers on a mission to America. Yet, let it be remembered that the Russians are willing to die for their country, and might never intend making a round trip if they would drop well-placed bombs on industrial America.

So far not a single speaker has come up with the idea that we should stop getting ready for war, spending all of the money needed in order to make certain that no nation could attack us. Yet all of us want this money well invested in the preparation for war instead of merely wasting it in an effort to spend money.

Don't Let Your Face Become Red Over Nonsupport Chamber

A lot of Canyon people will feel very uncomfortable about the Chamber of Commerce unless they decide to join the band of boosters who are trying to build the community.

This city building is a matter of day by day.

The Chamber of Commerce has a wonderful record of achievement during the past years as it set about improving local conditions. While many of their projects might have become true in the past in spite of a Chamber of Commerce, the fact that there was such an organization and that it was on the firing line is proof enough that the organization is needed.

In these days of high prices and uncertainty, there is more need than ever before for a strong central organization in the Chamber of Commerce. In past years, the Chamber took the lead when there was local work to be done. The Chamber stands ready and anxious to assist in community building in the future, just as it has in the past.

Airconditioning - - A Luxury or Necessity - - Up to Attorney Gen.

The Legislature of Texas became very serious and passed a bill which prohibits the installation of air conditioning, except in new buildings. The law makers decided that it was better to sweat than to work in comfort.

Now comes the Board of Control asking for a ruling from the Attorney General. The Board wants to know whether it is legal for the State to spend money for electric juice and water to keep present air conditioning in operation, and whether or not it shall order that present units be removed.

If all fans in the state capitol are shut off by a ruling of the Attorney General, there will be a hot time in Austin between now and the next session of the legislature.

There is no method of accurately forecasting the future, but the past, if carefully studied, will give you more than a haphazard view.

Whenever you hear someone complaining about "too much work," the chances are that his complaint is really "too little loafing."

Peace is not a matter of standing idle. It is an ideal to be fought for with all the wisdom and all the experience of the past.

About the only time some of the men folk of Canyon go to church is at their own funeral. This is, perhaps, a bit late.

Reading books is not always easy but it's better than making mistakes through a lack of information.

The most belligerent warriors, after a war, are those who did not smell gunpowder in battle.

Never lie about your competitor — the only net result is that everybody recognizes you as a liar.

An organization composed of morons can outvote twice as many wise men who are unorganized.

The black market operators of the war years are ready to try their luck again.

You don't have to join an association just because you get an invitation to do so.

Most people could get over that tired feeling if they could get a vacation from themselves.

Business in Canyon will be a lot better when everybody adopts a trade-at-home policy.

Two things that most young girls heed: the telephone bell and the automobile horn.

BOYCE HOUSE

"Gives You Texas"

Memories of a visit to St. Louis in the autumn of 1950:

The spot where once stood the hotel at which Abraham Lincoln was a guest is now a parking lot. The city's first cemetery is a parking lot. The grave of Chief Pontiac is marked by a plaque on a little one-room building which is the office of—yes, a parking lot.

The Shaw Gardens are very beautiful. One of the most interesting sights is the platter lilies, though they are shaped more like a pie pan. They are quite large and in the tropics, grow to be eight feet across and will hold up a man. The pitcher plant, when a fly or other insect alights within its outstretched petals, closes upon the hapless creature and destroys it.

The names of many authors are carved around the border of the exterior of the St. Louis Public Library — but you will look in vain for the name of Mark Twain, Missouri's, and America's, greatest writer. However, "Samuel L. Clemens" is there.

The Civic Buildings form an impressive array, with a park in the center where old men in frayed clothes sit for hours on the benches or stretch motionless on the grass.

There is an open air market which, if ever abandoned, the land reverts to the heirs of the donor, who gave the tract for that purpose when St. Louis belonged to France.

A tiny grass plot marks the site of the Battle of Camp Jackson, which decided that Missouri would not secede.

The heading of the column on the sports page of the San Antonio Express is "The Voice of the Peebles." The sports editor is Dick Peebles. Clever, eh, what?

DIES WALKING FOR AID

Indianapolis, Ind. — Herman Simon, 30, a machine operator, was struck in the chest by a silver of metal. He turned and walked 75 feet toward the plant nurses's office and then fell dead. The five-inch piece of metal which hit him flew off a cutting edge of a metal-shearing device Simon was operating.

Nature delights in the most plain and simple diet. —Joseph Addison.

THIEF RETURNS $774

Richmond, Va. — While Joseph S. Bambacus was getting a rubdown at the Y. M. C. A. health club, someone stole $850, his vacation fund, from his clothes. A few days later, he received an envelope, enclosing the $774. The address on the envelope had been clipped from a newspaper report of the theft and pasted on the envelope.

GREENLAND BASES

The United States has begun the rebuilding of some vitally important World War II airfields in Greenland, along the top-of-the-world bomber routes from Russia. Equipment, supplies and construction workers started moving to Greenland several weeks ago.

Complete Insurance Coverage

Largest Graduating Class at College Will Receive Degrees on August 24

The graduating class this summer promises to be the largest in the history of West Texas State. The spring class boasted the largest regular commencement with a total of 241 degree receivers. The largest commencement prior to this was in the summer of 1950 when 245 persons received degrees.

This summer a total of 258 persons have applied for and will probably receive degrees. The work of these persons has been checked by the Dean's office and they will receive their degrees if their work this six weeks is satisfactorily completed by Wednesday, August 22.

Sermons on diet ought to be preached in the churches at least once a week. —G. C. Lichtenberg.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 1.849 miles of Concrete Pavement Widening from West city limits of Amarillo to 24th Ave. on Highway No. US 60/ & 87, covered by C 168-9&10-19&2, in Randall & Potter County, will be received at the Highway Department, Austin, until 9:00 A. M., August 14, 1951, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of Byron Reese, Resident Engineer Amarillo, Texas, and Texas Highway Department, Austin. Usual rights reserved.

Prince-Root Vows Repeated July 28

The evening of July 28 was the occasion for the marriage of Nina Frances Prince, daughter of Mr. and Mrs. L. A. Prince of Amarillo, and Norris E. Root, son of Mr. and Mrs. Gene Root of Canyon.

The vows were exchanged in Portales, New Mexico, by the Rev. Therman Harris.

The bride wore a navy blue suit with white accessories and a corsage of white roses.

Mrs. Russell Woolfe attended the bride as matron-of-honor.

Mr. Joe Abbott was best man.

Mrs. Root attended school at Amarillo High School, and Mr. Root attended school at Canyon High School.

The couple is at home in Amarillo.

ANNUAL REUNION HELD AUGUST 5 ON HAYNES FARM

The annual reunion of the descendants of the late Mr. and Mrs. J. R. Moore, pioneer residents of Swisher County, was held Sunday, August 5, at the Haynes farm south of Canyon. Hosts were Mr. and Mrs. Tom Moore and their children, J. V. Moore, Mr. and Mrs. Billy M. Brown, Faye Ann and Barry, and Mr. and Mrs. A. B. Haynes, Jr., and Elizabeth.

The day was spent in visiting, taking pictures, "42" and croquet. At noon, the hosts served a barbecue dinner.

Those present were: Mr. and Mrs. J. E. Moore, Lockney, Texas, Mr. and Mrs. C. R. Moore, Medina, Texas; Mrs. Sallie Stovall, Tyler, Texas; Mr. and Mrs. Mack Dozier, Garden City, Texas; Mr. and Mrs. T. J. Rigdon, Lockney, Texas; Mr. and Mrs. Oren Culpepper and Alice, Beeville, Texas; Mr. and Mrs. N. E. Bonds, Bovina Texas; Mr. and Mrs. Graham Thorton and Mike, Farwell, Texas; Mr. and Mrs. B. L. Fisher, Redondo Beach, California; Mr. and Mrs. C. J. Rigdon and Ronnie, Paconimo, California;

Mr. and Mrs. Henry Scott, Lockney, Texas; Mr. and Mrs. Tom Waide, Allan and Sherry, Portales, New Mexico; Mrs. Pearl Burns and Jackie, Beeville, Texas; Mrs. Carl Hightower, Garden City, Texas; Charles Moore, San Antonio, Texas; Mr. and Mrs. Clarence Dozier, Tommy and Steve, Maljamar, New Mexico; Mr. and Mrs. E. O. Bass, Kress, Texas;

Mr. and Mrs. Ralph Elrod and Mike, Amarillo, Texas; Bill and L. D. Moore, Medina, Texas; Mr. T. R. Rigdon and Ronnie, Amarillo, Tex.; Otto Dozier, Arch, New Mexico; and Mr. and Mrs. C. S. Bass, Plainview, Texas.

Mr. Silas Hart spent the week-end in Rosedale, New Mexico, attending an Old Settlers Picnic. Anyone who settled there between the years of 1907-1920 is considered an Old Settler. Mr. Rhome Mobley accompanied Mr. Hart.

Mr. Harold H. Johnson of Mandamin, Iowa, is visiting in the home of Mr. and Mrs. H. D. Curtis.

STORK SHOWER HONORS MRS. JACK BONDS THURSDAY

A stork shower honoring Mrs. Jack Bonds was held in the home of Mrs. Carl E. Hair on Thursday, August 2.

The table was covered with lace over pink and blue. Punch with small cakes marked with question marks, mints, and nuts were served the twenty guests who called. The centerpiece for the table was a stork standing in a blue pottie surrounded with pink asters. Pink and blue theme was carried out throughout the house.

Hostesses for the occasion were Mrs. Harold Martin, Mrs. Lowell Smith, Mrs. Clarence Maynard, and Mrs. Carl Hair.

SURPRISE STORK SHOWER HONORS MRS. MAX BOSLEY

A surprise stork shower was given for Mrs. Max Bosley on the evening of August 1 in the home of Mrs. Walker Bateman.

Hostesses were Mrs. Dick Barrett, Mrs. Lee Bailey, Miss Chloe Ann Black, Miss Ema Gene Zachry, Mrs. Clinton Miller and Mrs. Walker Bateman.

Guests included Mrs. Travis White, Mrs. Bill Abbott, Mrs. Bill Cleavinger, Mrs. Rusty Davis, Mrs. Harland Brooks, Mrs. Thomas Tucker, Mrs. Horace Carter, Mrs. Dubois Walker, Mrs. W. M. Dickerson, Miss Jean Hill and the honoree.

BIRTHDAY PARTY HONORS MARY ANN WHEELOCK

Mr. and Mrs. R. D. Wheelock honored their daughter, Mary Ann, with a party on her fifth birthday, July 30. Birthday cake and ice cream were served to the following children:

Reggie Reeves, Ethel Johnson, Judy Britt, Cindy McGregor, Linda Dixon, Linda Hughes, Ronnie Bacon, Clayborn Crain, Lana Horn, Stephen Langston, and the honoree.

WEST SIDE H. D. CLUB MET WITH MRS. LEWIS TUCEK

The West Side Home Demonstration Club met on Wednesday afternoon, August 1st, with Mrs. Lewis Tucek as hostess. The meeting was called to order by the president. The club decided to have a picnic on Thursday, August 30, at 7 o'clock at the J. W. Bourn home in Canyon.

The hostess served refreshments to 12 members and three visitors, Mrs. R. O. McKay and daughters, Mary Rad and Betty Burrus.

Mrs. Peggy Clinton of Glendale, Calif., is visiting her sister and family, Mr. and Mrs. W. R. New. She left Wednesday morning with Mrs. New and daughter, Billie Jean, returning home with her, while Mr. New is away. Anyone who wishes to contact Mr. New, call B. C. Taylor or Houston Prichard or at Mr. New's home after 6 o'clock.

Manus R. Foster, from the University of Kansas, is visiting his parents, Mr. and Mrs. Dewey Foster and sister, Mrs. Frank Stallings.

Mr. and Mrs. Joe Baber left Monday for a vacation in Kentucky, Tennessee and Oklahoma.

BREAKFAST FOR B&PW S. S. CLASS GIVEN BY TEACHER

A breakfast for the Business and Professional Womens' Sunday School Class of The First Baptist Church was given by their teacher, Mrs. T. H. Knighton at 9:00 o'clock Sunday morning.

Summer flowers were used in decorating the living room and the centerpiece, where the breakfast was served buffet style, was a fruit bowl centered with yellow roses. The menu consisted of frozen orange juice, raisin toast, hot biscuits, strawberry preserves, and coffee.

Those attending were Misses Beryl and Wilma Hixson, Mary Lurlyne Bowman, Alta Green, Floy Bell, Dr. Hattie Anderson, and Mesdames Bertha Matlock, Andy Walsh, Lorenzo Wirt, Lula B. Owen, Ann Slagle, E. T. Cummings, Gladys Dixon and the hostess.

MRS. RAY BIBLE HONORED STORK SHOWER, AUGUST 7

A stork shower honoring Mrs. Ray Bible was given by Mrs. Lee Bailey and Mrs. Harold Martin on Tuesday, August 7.

The table was covered with lace over pink and blue. Punch with small cakes marked with question marks, mints and nuts were served to the guests who called during the afternoon. The centerpiece for the table was a stork standing in a blue pottie surrounded with pink asters. Pink and blue theme was carried out throughout the house.

Mr. and Mrs. Berl Henderson, Virginia Rigsby, Mr. and Mrs. Vearl Iverson, and F. S. Gray returned Sunday from a visit with Mr. Iverson's mother, Mrs. P. M. Iverson of St. George, Utah. Along the route they visited Grand Canyon, Zion National Park, Salt Lake City, and Mesa Verde National Park.

Mr. and Mrs. R. D. Wheelock, John Robert, Mary Ann, and Mrs. Wheelock's mother, Mrs. Marjorie Brewer, and brother, Orlin Brewer of Tulia, spent last week vacationing in the Colorado Springs and Denver regions.

Mr. and Mrs. A. B. Russell spent last week-end in Amarillo with their daughter and family, Mr. and Mrs. T. B. McCandless. They enjoyed Sunday School, Church and singing at the Fairview Church Sunday.

Mrs. Frank Cryer of Denton, Mr. and Mrs. Ed Shirt and son, Don, also of Denton, Mr. and Mrs. W. B. Meredith of Plainview and Cpl. C. L. and Mrs. Hood were week-end visitors in the S. R. Hood home.

Mr. and Mrs. A. B. Gray and children, Joy and Arvil Weldon, and Elouise Seals visited at Dawn in the Moore home, Monday evening for an ice cream supper.

Mr. and Mrs. James W. Richardson and son of Odessa visited in the Gene Root home Sunday. Mrs. Richardson is the Root's daughter.

Mr. and Mrs. K. L. Pond and Mr. and Mrs. G. L. Davis vacationed in Raton over the week-end.

NEXT WEEK! You Can WIN a Brand New 1951 Model GENERAL ELECTRIC REFRIGERATOR

for COMPLETE DETAILS See Next Week's Paper

Here's an Advance Tip to Help You . . .

Start now to compile a list of all the Electrical Household Appliances you can think of. Accuracy and speed are important.

THIS IS A LOCAL CONTEST Conducted by Your General Electric Dealer

THOMPSON'S
Hardware—Housewares
Furniture—Farm Equipment

Western Battery & Electric Company Leading Concern

Headquarters for automotive electrical service in this area is Western Battery & Electric Co., 137 N. Sampson in Hereford. This concern is owned and operated by Ellis Coombes. They handle AUTO LITE, DELCOREMY and UNITED MOTORS Parts and render the very best in Starting, Lighting and Ignition Service. A Motor Tune up for your truck, car, tractor or irrigation motor at Western Battery & Electric Co. will prove to be "Tops" as they have the latest motor analyzing equipment and their mechanics are fully trained and thoroughly experienced.

This aggressive concern also handles ZENITH and CARTER Carburetors and give expert service on gasoline, butane or diesel carburetors. They serve the Automobile Dealer, Garageman, Industry and the Motoring Public. They are also equipped to do first-class Brake Work — adjusting, relining and repairing. Since Ellis Coombes has operated this well known Hereford concern he has added many outstanding lines and personally sees that you are given the very best of service. He is always glad to see his old friends and customers and to make new ones. Many of the trucking companies and concerns who operate fleets depend upon Western Battery & Electric Co. to do all of their work which, in itself, is proof that their dependable service and policy of fair dealing has done much to build the good business which they enjoy.

We are glad in this review edition of The News to suggest to our friends and readers that they give Ellis Coombes and the Western Battery & Electric Co. the opportunity to serve you and we are sure that you will become one of their regular customers and recommend their good work and the outstanding automotive parts they handle to others.

ANNOUNCEMENT

The Central Home Demonstration Club will meet Friday afternoon at 3:00 o'clock in the home of Mrs. F. L. Terry.

ANNOUNCEMENT

Dr. Cohan, missionary from Palestine, will speak at the Assembly of God Church Sunday night at 8:00 o'clock.

Mr. and Mrs. W. G. Boston, Jr. and son, Bill, visited this week with Mr. and Mrs. W. G. Boston and Bro. Murray and family. Mr. Boston is connected with the Mrs. Tuckers plant in Sherman.

Mr. and Mrs. Sam Hanson, Joe and Nell of Stamford, Texas, visited in the Silas Hart home Sunday. They were enroute to Colorado. Mrs. Hanson is a sister of Mrs. Hart's.

W. S. C. S. Met in Church Tuesday

The W. S. C. S. opened its meeting with the song "A Charge to Keep." Mrs. Iverson Leake gave the devotional poem, "Grow Old With Me." Mrs. Dan Sanders directed the program, "Last of Life" which was given by Miss Mary Moss Richardson and Mrs. Clyde Warwick.

A song was sung by Mrs. L. F. Sheffy. There were 18 present.

State Homemaking Convention Recently

The State Homemaking Convention recently had their annual meeting the Baker-Adolphus Hotel in Dallas. Approximately 1,000 convened there for the meeting.

Mrs. Perry Bell presided over one of the general meetings of the week.

Mr. and Mrs. H. W. Burrus, Mrs. Gladys Haines, and Miss Thelma Hershey of Dimmitt, returned Tuesday from a five day trip to the mountains near Las Vegas, New Mexico. Miss Vergie Haines, who served as counselor at Western Life Camp during July, returned home with them.

Mr. and Mrs. Eugene Wilhelmsen of Independence, Missouri, visited in the O. W. Parker home.

WANTED: Couple for a small modern furnished house. Phone 264W. 17t1

Pet Show of Local Kids Brings Out Variety

Two of the most precious things to civilized humanity are children and pets. The Chamber of Commerce brought the two together as a special treat for the people of Canyon. Children under 7 years of age were given the opportunity of showing off the beauty and intelligence of their pets. One point was given for each of the following features. The pet with the shortest tail. The pet with the waggenest tail. The softest pet. The most unusual pet. The cleanest pet. The friendliest pet. The largest pet. The smartest pet. The cutest pet. The pet with the longest hair and the smallest pet.

The contest was held in the Cox playground where Beverly Beck has been directing the children's play all summer. The judges were Pat Cantrell and James Gamblin.

Jimmy Fulcher's pet was a cocker spaniel named Casey. Casey won a point for having the shortest tail. Janice Miller had a kitten named Zipper and it was Zipper that took away the point for being the softest pet. The most unusual pet was a rooster named Colored and entered by Jacquita and Deloras Barnard. Phil Pennington entered a puppy named Pal. After a certain amount of sniffing the judges gave Pal a point for being the cleanest pet. Johnny Sykes entered a puppy named Blackie. Wesley Shultz entered a puppy named Toy. The point for being the friendliest pet went to Toy. Marshalyn Lee entered a shetland pony named Tiny Tim. The pony took away a point for being the largest pet.

Excitement bubbled over in the children as they gathered about such pets as the two rabbits entered by Claborn Crain. Mike and Ike, the brother puppies entered by Leland and Barbara Pitts also raised some ohs and ahs from the children. Larry Holman's pet collie Dab won a trophy. Dab was given a point for having the waggenest tail and another for being the smartest pet. These two points were good for a beautiful trophy.

Rusty, another collie entered by Pam and Al Sternenberg, won the second trophy. Rusty, wearing a straw hat, dark glasses and a blue ribbon tied in a bow, was judged the cutest dressed pet and the pet with the longest hair.

The point for the smallest pet went jointly to Mike and Pat O'Conner who each entered a rabbit. No name was entered for either rabbit and neither was there a name for the turtle entered by Stephen Langston. Tom Langston entered a rather novel pet. His pet was a worm. The name? What else but Wooley?

Every pet had at least one outstanding merit and so the owner was awarded a blue ribbon. In addition to the blue ribbon, each entrant also received a special comic book.

After the business part of the show was over the children enjoyed popsicle refreshments through the courtesy of Cecil Massey.

Construction of Highways Takes Skill, Machines

Although modern machinery has drastically reduced manual labor, there is still a great amount of physical toil in road construction work. When you stop for a moment and watch the gang of men who are widening highway 87 through Canyon, you realize the great amount of effort required for such work.

You sit in the car for a moment. The sun beats down unmercifully. You take a handkerchief and wipe the beads of sweat from your brow and wonder how the man on the roaring bull-dozer is able to stand the terrific heat. A tiny ribbon of pavement squeezes traffic by at a snail's pace while to one side the ground is ripped up to prepare a firm foundation for the new part of the road.

There's a rusty pipe which looks newly torn from the ground laying grotesquely to one side. A man without a shirt comes dashing across the disturbed earth that will soon be a part of the new road. Then you notice a man down in a hole with only his head showing.

You get out of the car and ask a few questions. You learn that the young man in the blue sport shirt is the boss. The young boss, Don King, points to the rusty pipe and tells you that it's only a minor problem and about the only obstacle outside of ordinary incidents that is slowing down the work. Even the pipe isn't serious enough to be considered a grave problem.

Sitting on a side street and right on the edge of the construction work is a water truck. The perspiring driver is sitting hunched over the wheel. The truck is being hired on a contract basis and the water is delivered to the job at so much per load. From the driver, W. T. Gober, you learn that the water is used to wet down the caliche before it is packed to form a firm base for the hard top to come later.

Heat waves play across the horizon as you glance at the entire gang of workers that is somewhere in the vicinity of 30 men. Tractors chug, jerk, stop, back up and start over again. Dump trucks creep about the tangle of machinery. Bulldozers crawl in and out of the ditches they create. Every way you look there is work and still more work.

You get back into the car, turn around and leave for town. Once those sweating, working men are out of sight the atmosphere seems to cool a little. The sun doesn't have the terrific pressure it did a moment ago. You glance at the sky and perhaps it's wishful thinking but an idea that it might rain pops into your brain.

Youth Activities Week in Methodist Church Is Success

This week in the Methodist Church, Youth Activities Week is being carried on.

Starting Sunday night at 6:30, Rev. J. Weldon Butler spoke to the group. At the evening church service, the young people were in charge. Then recreation in Fellowship Hall followed this.

On Monday night, supper was served by the Ruth Circle of the W. S. C. S. Commission Meetings were held, a short meditation in the Sanctuary, and following this, Father Carlson spoke to the group on the belief of the Catholics.

On Tuesday night, the evening meal was served by the Mary Circle of the W. S. C. S. Commission Meetings assembled, a quiet meditation was observed, and Dr. W. T. Mok, FACS, a Chinese doctor from Amarillo, spoke to the group, with recreation following.

On Wednesday night, the Martha Circle of the W. S. C. S. will serve the meal, commission meetings convening, and Rabbi Bluhm of Amarillo, will speak on the Jewish faith. The Dedication Service will climax the activities.

The group consists of The Wesley Foundation, directed by Rev. J. Weldon Butler, Senior M. Y. F., sponsored by Miss Patsy Key, and Intermediate M. Y. F., sponsored by Mr. and Mrs. Bennie Woods and Mrs. Herschel Thurston, superintendent of the Department and the Rev. H. L. Thurston, pastor.

Visitors from Dimmitt and Plainview have been present.

HOUSE JOINT RESOLUTION NO. 6

PROPOSING AN AMENDMENT to the Constitution of the State of Texas amending Article III, Section 51a, providing that the Legislature shall have the power to provide assistance to and provide for the payment of same to residents of the State of Texas who are needy aged persons over the age of sixty-five (65) years, needy blind persons over the age of sixteen (16) years; needy children under the age of sixteen (16) years; removing the Thirty-five Million Dollars ($35,000,000) limitation upon expenditures for such purposes and providing for a limitation of Forty-two Million Dollars ($42,000,000) upon such expenditures; providing a maximum payment of Thirty Dollars ($30) per month from State funds for old age assistance; prohibiting payment of assistance after disposition of property under certain conditions; providing for the acceptance of financial aid from the Government of the United States of America for such assistance; providing that the payment of such from State funds shall never exceed the payments from Federal funds; providing for the necessary election, and providing for the form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended, and the same is hereby amended so that the same shall hereafter read as follows:

"Section 51a. The Legislature shall have the power, by general laws to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions, and regulations as may by the Legislature be deemed expedient for assistance to, and for the payment of assistance to:

"(1) Needy aged persons who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application; provided that the maximum payment per month from State funds shall not be more than Thirty Dollars ($30) per month.

"Any applicant for or recipient of assistance, including the spouse in each instance, who shall dispose of any property after June 1, 1952, and any person who initially applies for assistance after June 1, 1957, who has disposed of any property within five (5) years prior to the date of application, shall be ineligible to receive assistance; provided, that if such property was disposed of by bona fide sale and conveyance, and for value commensurate with the actual market value thereof, such disposition shall not affect eligibility for assistance if it be shown that all proceeds from such sale have been used by such person and spouse for normal living expenses, or for the purchase of other real property of like value. If any recipient of assistance or spouse shall sell any real property, neither such recipient nor spouse shall thereafter receive assistance until all net proceeds of said sale have been expended for normal living expenses; and in case of disposition of such property by gifts or for an amount less than its actual market value, such person and spouse shall not thereafter receive assistance until the expiration of the period of time during which the net proceeds of said sale would have paid their normal living expenses had the actual market value been realized therefrom.

"(2) Needy blind persons who are over the age of sixteen (16) years; provided that no such assistance shall be paid to any inmate of any State-supported institution, while such inmate; and provided that any resident of the State, if otherwise eligible, may not be excluded who has resided in the State for five (5) years during the nine (9) years immediately preceding the filing of the application for such assistance including the one (1) year continuously immediately preceding the filing of such application.

"(3) Needy children who are under the age of sixteen (16) years; provided that any child, if otherwise eligible, may not be excluded who has resided in the State for one (1) year immediately preceding the filing of the application for such assistance, or, if said child is under the age of one (1) year, whose parent or other relative with whom the child is living has resided in the State for one (1) year immediately preceding the birth of such child.

"The Legislature shall have the authority to accept from the Federal Government of the United States such financial aid for the assistance of the needy aged, needy blind, and needy children as such Government may offer not inconsistent with restrictions herein set forth; provided, however, that the amount of such assistance out of State funds to each person assisted shall never exceed the amount so expended out of Federal funds; and provided further that the total amount of money to be expended out of State funds for such assistance to the needy aged, needy blind and needy children shall never exceed the sum of Forty-two Million Dollars ($42,000,000) per year.

"Should the Legislature enact enabling laws and provide an additional appropriation hereto in anticipation of the adoption of this Amendment, such Acts shall not be invalid by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors of Texas at the Election to be held throughout the State of Texas on the Second Tuesday in November, 1951, at which election there shall be printed on such ballot the following clause:

"FOR the amendment to the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age; removing the Thirty-five Million Dollar ($35,000,000) limitation upon amount of State expenditures for such purposes; disqualifying persons who dispose of property under certain conditions; providing a maximum payment of Thirty Dollars ($30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars ($42,000,000) per year on State fund expenditures for such purpose each year.

"AGAINST the amendment to the Constitution giving the Legislature power to set up a system of payments of assistance to needy persons over sixty-five (65) years of age; to needy blind persons over the age of sixteen (16) years; to needy children under sixteen (16) years of age, removing the Thirty-five Million Dollar ($35,000,000) limitation upon amount of State expenditures for such purposes; disqualifying persons who dispose of property under certain conditions; providing a maximum payment of Thirty Dollars ($30) per month from State funds for old age assistance; providing for the acceptance and expenditure of funds from the Federal Government; providing that expenditures from State funds shall not exceed the expenditure from Federal Funds with respect to any individual; and providing conditions as to residence within the State in order to be eligible to receive assistance; and providing a limitation of Forty-two Million Dollars ($42,000,000) per year on State Fund expenditures for such purpose each year."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and Laws of the State of Texas.

16t4

HOUSE JOINT RESOLUTION No. 2

PROPOSING AN AMENDMENT to Section 49-b, Article III, Constitution of Texas, so that the total amount of bonds or obligations that may be issued by the Veterans' Land Board is increased to One Hundred Million Dollars ($100,000,000); providing for the issuance of said bonds and certain conditions relating thereto and the use of the Veterans' Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III, Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veterans' Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Veterans' Land Board may issue not to exceed One Hundred Million Dollars ($100,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas, in such form, denominations, and upon the terms as are now prescribed by Senate Bill No. 29, Chapter 318 of the Acts of the Fifty-first Legislature (provided, that when the limitation of Twenty-five Million Dollars ($25,000,000) is used in said Senate Bill No. 29, the same shall hereafter be construed as One Hundred Million Dollars ($100,000,000), or as said Act may be hereafter amended, or by other laws that the Legislature may hereafter enact; provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum, and that the same shall be sold for not less than par value and accrued interest.

"In the sale of such bonds, a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent School Funds; such bonds to be issued as needed, in the opinion of the Veterans' Land Board.

"The Veterans' Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State, (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of the Veterans' Land Fund.

"The lands of the Veterans' Land Fund shall be sold by the State of Texas Veterans of the present war or wars, commonly known as World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now provided by law, or as may hereafter be provided by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veterans' Land Board from the sale of lands and for interest on deferred payments, shall be credited to the Veterans' Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945, as may be included within this program by legislative act, in like manner as provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period ending December 1, 1959; provided, however, that so much of such moneys as may be necessary during the period ending December 1, 1959, to pay principal of and interest on the bonds heretofore issued and on bonds hereafter issued by the Veterans' Land Board shall be set aside for that purpose. After December 1, 1959, all moneys received by the Veterans' Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any of such moneys not so needed shall not later than the maturity date of the last maturing bonds or bonds be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All bonds issued hereunder shall, after approval by the Attorney General of Texas, registration by the Comptroller of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute obligations of the State under the Constitution of Texas. Of the total One Hundred Million Dollars ($100,000,000) of bonds herein authorized, the sum of Twenty-five Million Dollars ($25,000,000) has heretofore been issued; said bonds are hereby in all respects validated and declared to be obligations of the State of Texas. This amendment shall become effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the second Tuesday in November, 1951, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Section 49-b, Constitution of Texas, for increasing Veterans' Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II, and to Texas Veterans of service in the armed forces of the United States of America subsequent to 1945."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

F. D. I. C.

In a report to Congress, the Federal Deposit Insurance Corporation stated that not one cent had been lost by a depositor in a bank insured by the agency in more than seven years. In the 17 years since the agency was set up, on Jan. 1, 1934, only 245 Federally-insured banks have gone into receivership, another 170 have been aided financially by the insurance corporation to enable them to "merge with sounder institutions." Chairman Maple T. Harl, of the FDIC, declared, "The last vestige of government subsidy" to the agency has been removed by payments of more than $370,000,000 to the Treasury, returning capital advanced to set it up and covering interest on this capital, as well.

WAR CONTRACTS

The Senate Small Business Committee reports that ten big companies have received forty per cent of the dollar volume of defense contracts since Korea and called for an immediate reversal of "this trend of concentration of defense contracts." It said fifty companies command two-thirds of the dollar volume of post-Korea contracts. In World War II, ten companies controlled 30 per cent of the dollar volume and 100 companies two-thirds.

HOUSE JOINT RESOLUTION NO. 22

PROPOSING AN AMENDMENT to the Constitution of Texas by adding to Article XVI thereof a new Section to be numbered 63, and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county; providing the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein; and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III; providing for the calling of an election and the publication and issuance of the proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the State of Texas, be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary and shall first be authorized by vote of the qualified voters of such county; provided further that the Legislature shall not be authorized to make an appropriation to pay any retirement or disability benefits authorized herein. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors at an election to be held throughout this State on the second Tuesday in November, 1951, and at said election the ballots shall have printed thereon the words:

"FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and

"AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees."

Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the foregoing proposed Amendment published as required by the Constitution for proposed amendments thereto.

Sec. 4. If at said election, a majority of the votes are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees" the foregoing proposed Amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereof.

16t4

HOUSE JOINT RESOLUTION NO. 37

PROPOSING AN AMENDMENT to Article VII of the Constitution of the State of Texas by adding a new section after Section 11 thereof to be designated as Section 11a, providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution of the State of Texas; providing for the necessary proclamation and publication, and calling of an election therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VII of the Constitution of the State of Texas shall be amended by adding after Section 11 thereof a new section to be designated Section 11a, which shall read as follows:

"Section 11a. In addition to the bonds now enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Permanent University Fund may be invested in such other securities, including bonds, preferred stocks and common stocks, as the Board of Regents of the University of Texas may deem to be proper investment for said fund; provided, however, that not more than fifty per cent (50%) of the said fund shall be invested at any given time in stocks, nor shall more than one per cent (1%) of the said fund be invested in securities issued by any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors. This amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution"; and

"AGAINST the Constitutional Amendment providing for the investment of the Permanent University Fund in additional securities to those now enumerated in Section 11 of Article VII of the Constitution."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such Amendment shall be paid out of the proper appropriation made by law.

16t4

SENATE JOINT RESOLUTION NO. 8

PROPOSING AN AMENDMENT to Section 48-d of Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts so as to provide that the Legislature may authorize an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred ($100.00) Dollars valuation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 48-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Fifty (50c) Cents on the One Hundred ($100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1951, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred ($100.00) Dollars valuation for the creation and establishment of rural fire prevention districts;" and

"AGAINST the constitutional amendment authorizing the Legislature to provide for the levy of an ad valorem tax not to exceed Fifty (50c) Cents on the One Hundred ($100.00) Dollars valuation for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

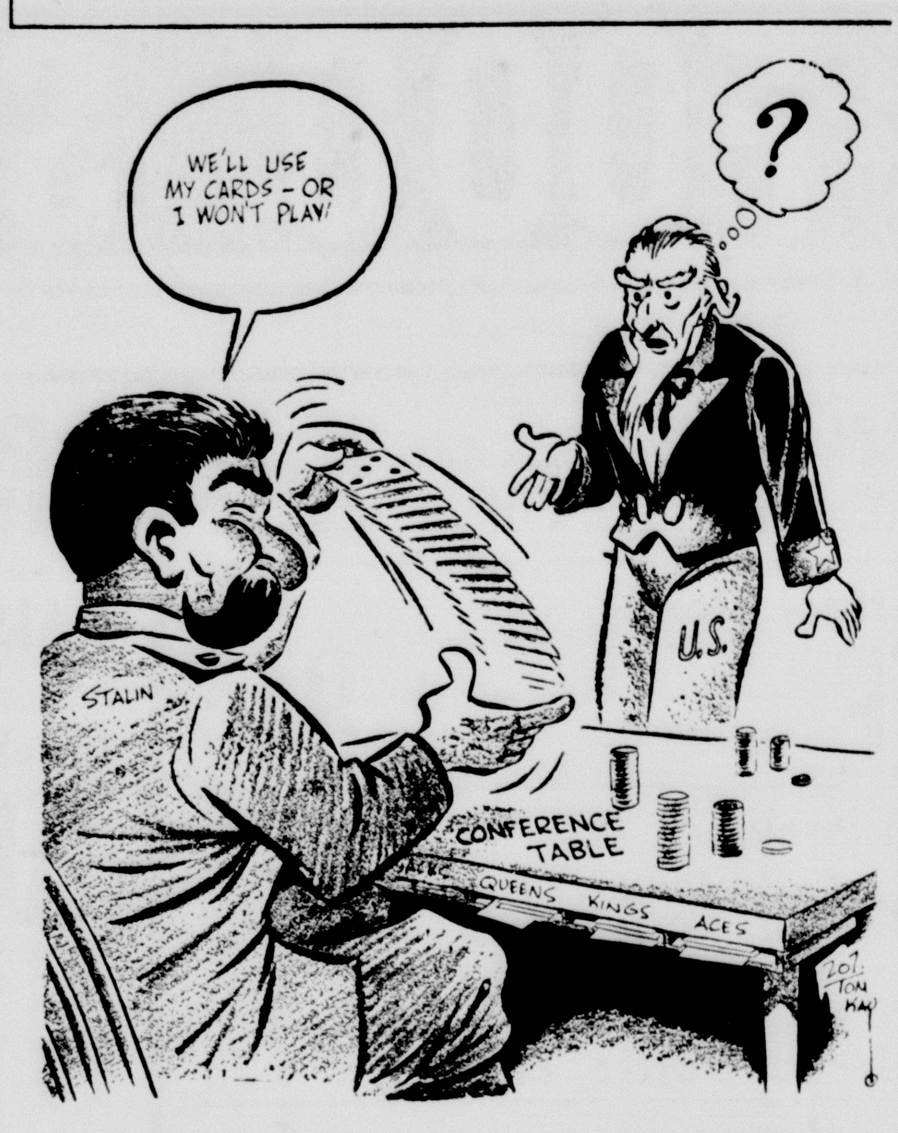
THE AMERICAN WAY



Let's Put All The Cards On The Table

Season Ticket Sales Announced

Season tickets for the West Texas Buffalo home games will go on sale August 18. Between that date and the 1st of September sales will be limited to those persons who bought season tickets last year and who want the same seats this year. After September 1 ticket sales will be on a first-come first-served basis.

Four of the games will be played at Sandie Stadium in Amarillo. The homecoming game will be in Buffalo Stadium.

Ticket sales will be handled by Rupert Taylor in Amarillo and Bob's Campus Shop in Canyon. Persons who desire tickets should call Rupert Taylor at 66063 in Amarillo or Bob's Campus Shop, 688. Inquiries and reservations may be made by writing to the Campus Shop, Box 297, Canyon, Texas. Individual tickets are $2.40, season tickets for the five games, $12.00.

The Answers . . .

1. Charlotte Bronte's novel by the same name — "Jane Eyre."
2. For his paintings — particularly of animals.
3. Warren G. Harding.
4. Very softly.
5. Doleful, exaggeratedly sad.
6. Paris stock exchange.
7. On May 15, 1918, in the U. S.
8. The Queen of Spades.
9. Mrs. Georgia Neese Clark.
10. On Sunday, May 13, 1607, at Jamestown, Va.

Propaganda signals from top U. S. officials got mixed when George Marshall, Defense Secretary, and Dean Acheson, Secretary of State, warned ominously of continuing Russian threats while U. S. officials in West Germany were saying that the West now is 90 per cent secure against surprise attack, adding that they saw no sign of a new Soviet military build-up.

Arthur Horner, Communist head of Britain's mineworkers' union, is telling British voters that, if they turn the Labor Party out of office soon, they can expect a national coal strike. Nationalization of coal mines has not solved British coal problems.

The anti-Evita group in Argentina's Army is reported to be convinced that it can keep Argentina's first lady from getting second place on the ticket to be headed by her dictator-husband, Juan Peron.

George W. Taylor, Chairman of the Wage Stabilization Board, is leaving that job around September 1, and Mr. Truman may have trouble finding an experienced successor. Nathan Feinsinger, vice chairman, is not enthusiastic about taking the job.

Gen. J. Lawton Collins, Army Staff Chief, is not yet sure whether he is in favor of a vast increase in Air Force expansion plans, now being pushed. Army officials always wonder whether expansion of one service, in the end, will not be at the expense of ground forces.

Kitchen physic is the best physic. —Johnathan Swift.

Bible Verse to Study,

". . . Ye tithe mint and anise and cummin and have left undone the weightier matters of the law, judgment, and mercy and faith . ."

1. Who spoke these words?
2. Where are they recorded?
3. Unto whom were they addressed?
4. In what sense is the "judgment" used?

Bible Verse Answers

1. Jesus.
2. Matthew 23: 23.
3. The Scribes and Pharisees.
4. Justice.

Lieut. Gen. Elwood R. Quesada, a top-ranking Air Force general, in planning to resign is reflecting disagreement with Air Force decisions to continue to put all real emphasis upon strategic bombing and to de-emphasize tactical use of air power.

Theodore F. Green, U. S. Senator from Rhode Island: "We must be sure that each nation added to the North Atlantic Treaty organization can and will make a real contribution to the joint defense effort."

James Durante, comedian: "Dere's a million good-looking guys but I'm a novelty."

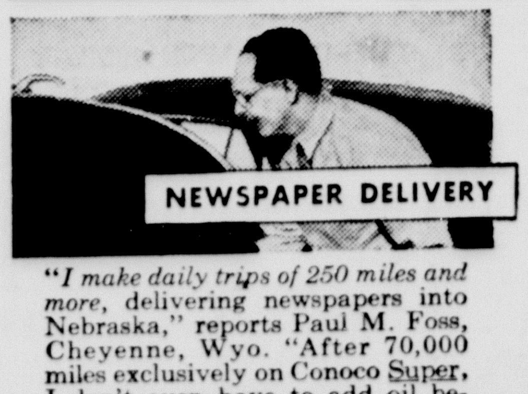
"I got the story on 50,000 Miles-No Wear and changed to New Conoco Super Motor Oil"
says H. Joseph Johnson
Taxi Fleet Owner
Maryville, Missouri

"Our fleet of cars are driven 25,000 to 30,000 miles a month. We find that motors lubricated with Conoco Super outwear the bodies of our cars."



NEWSPAPER DELIVERY

"*I make daily trips of 250 miles and more*, delivering newspapers into Nebraska," reports Paul M. Foss, Cheyenne, Wyo. "After 70,000 miles exclusively on Conoco Super, I don't even have to add oil between 1,000-mile drains."

USED CAR SALESMAN

"*A real money-saver*—that's Conoco Super," says W. H. Grubbs, Used Car Salesman, Fort Worth, Tex. "I was driving a 1939 car using 2 quarts every 500 miles. I changed to Conoco Super and stopped having to add oil between drains."

"50,000 Miles-No Wear!" Proved Here:

After a punishing 50,000-mile road test, *with proper drains and regular care*, engines lubricated with new Conoco Super Motor Oil showed *no wear of any consequence*: in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000!

School Schedule Is Announced For Opening of the Fall Session

Activity on the campuses of the Canyon Public Schools will begin again the first week in September with the administrative staffs scheduled for a meeting Sunday afternoon, September 2. An Orientation and In-Service Workshop Meeting will begin Monday morning, September 4 at 9:00 a. m. in the high school cafeteria for the faculty. This Workshop is scheduled to run through Wednesday, September 5. Some of the faculty members, however, will be called for high school registration duty on September 5, since high school seniors are expected to register Wednesday morning between the hours of 9:00 a. m. and 12:00 a. m., with high school juniors registering that afternoon between the hours of 1:00 p. m. and 4:00 p. m.

On Thursday, September 6, the sophomores register from 9:00 a. m. to 12:00 a. m., and the freshmen from 1:00 p. m. to 4:00 p. m. Also, all elementary grade students are expected to register during the day between the hours of 9:00 a. m. and 4:00 p. m. All 7th and 8th grade students will meet in the auditorium of the West Texas Elementary School under the direction of Mr. E. R. Reeves, Principal.

Pupils who are enrolling in the elementary grades 1 through 6 may choose to enroll in either the West Texas Elementary School, located on the college campus, or the Canyon Grade School, located on the high school campus. School fficials respectfully request that parents who live in the city addition near the college direct their children to the West Texas Elementary School; others should enroll at the Canyon Grade School with Miss Elva Fronabarger, Principal.

All classes in all grades, both elementary and high school, will begin promptly at 9:00 a. m. Friday morning, September 7, in regular work and will continue throughout the day for a full day's attendance. Buses will run as usual and lunches will be served in the cafeterias of each school on this first school day.

Parents are reminded that children entering school in Canyon must have their Smallpox and Diptheria innoculation records in order. It is suggested that in the event pupil's birth certificates are not available, they be acquired now in order that registration and enrollment may be completed on September 6, otherwise registration on these pupils will be incomplete until this requirement is fulfilled.

The following holidays have been scheduled during the year:

September 17, Monday afternoon from 12:00 noon - ½ day holiday for the Tri-State Fair.
November 22 and 23 - Thanksgiving Holidays
December 22 through December 31 - Christmas Holidays
January 1 - New Year's Holiday
March 14 - Northwest Texas Conference for Education
March 21 and 24 - Easter Holidays
May 29 - Commencement Exercises
May 30 - School closes.

The net number of days for scholastic attendance will total 175 days, which meets the Minimum Foundation requirements of the Texas Education Agency.

Accordion Music by Wheeler Band Man Featured at Rotary

Pat Boddy of Wheeler, band director from Wheeler and student in West Texas State during the summer, gave a series of accordion solos Tuesday at the Canyon Rotary Club luncheon. Mr. Boddy is an accomplished musician who has appeared on programs in many towns of this area.

Dean Walter Juniper had charge of a question period regarding unusual features to be found in the August issue of The Rotarian, official publication of the Rotary Club.

Visitors were: J. Davis Hill of Galveston; Rev. W. A. Appling of Ralls; Howard Amick and Thurman Richardson of Panhandle; Swede Tolzien, Dr. J. H. Brown, Roy P. Eastland, Horace Griggs, Dr. J. Frances Brown, Emil F. Myers, A. D. Steed, Arthur Osgood, Charles A. Wolflin, all of Amarillo.

Mr. and Mrs. Elmer Keahey and Nancy of Canadian have been guests in the home of their daughter, Mrs. Curtis Lehnick and family. The group, accompanied by Mrs. Letha Lehnick, spent Sunday with Mr. and Mrs. Carroll Love and sons of Tulia.

Mr. and Mrs. Earl Holden of Cactus and Mrs. R. L. Carter of Amarillo visited Mrs. J. W. Carter while she was in the hospital.

Mr. and Mrs. R. A. Smith and family are visiting friends and relatives in Memphis, Tennessee, this week.

Bus Soon Will Start Operation Palo Duro Park

The Panhandle - Plains Museum will be the place to get your ticket for the Palo Duro Canyon sight seeing tour starting August 24. Strictly a sight seeing tour is being offered. Tickets will not be sold from Canyon to Amarillo nor from Amarillo to Canyon for this particular bus. Schedules will be completed and some of the details worked out in a joint meeting of the Amarillo and Canyon Chambers of Commerce. The price of a round trip on the sight seeing Trailway bus will be 90 cents with one way tickets selling for 50 cents.

National publicity will be given this particular trip as it's to be a part of the National Trailway Tour Bureau in Chicago. Because of necessity and convenience, the buses will only go into the Canyon as far as the third crossing for the present. The bus service will probably be placed on a schedule of twice-a-day runs at first with future changes depending upon the needs of the public. While on the tour the bus will stop at points of interest to the sight seers.

Mark Mickey Shot Accidentally Friday

Mark Mickey was accidentally shot while playing at the home of Gary Lee and Gene Rogers. The boys were playing with a twenty-two target which they had slipped from the house. When the Rogers boys saw their mother coming, to escape punishment, they handed the gun to Joel Reese. Then Mark and Joel started off with the gun which went off and struck Mark in the leg about five inches above the ankle fracturing the bones in his leg.

Mickey is reported to be recovering nicely.

West Texas Gas Co. Has Annual Picnic

The West Texas Gas Company had its annual Area picnic and Safety Meeting last Thursday, Aug. 2 at Roadside Park. Barbecued chicken and steaks were enjoyed by the 60 who were present. This included the employes and their families.

Mr. and Mrs. H. F. Troth of Borger, Mr. John Coiner of Laredo, Mr. and Mrs. Stanley Troth and girls of Amarillo spent Sunday in the Riley Troth home.

Low Rental Housing Is Greatest Need In Canyon Says Reid

One of the greatest needs of Canyon, as well as the entire nation, is an adequate number of low cost housing units. Many people just simply don't have the income to pay high prices for housing to fit their needs. The only true measuring rod Canyon has to determine its need for housing units is the veteran students attending college.

Ted Reid reports that his 16 units of recently constructed low cost houses for veterans and their families will not be enough to accommodate more than half of the people who apply for them. When the fall term begins and greater numbers of students return to college the housing situation will become even more acute.

The problem of low cost housing, is at present, creating quite a debate in Washington. The decisions made in regard to low cost housing units will affect many of the people in the lower income brackets all over the United States. It's only natural for every town to feel that its needs for low cost housing is greater than that of its neighbor. The importance of education is undisputed and in order to widen the scope of education, Canyon needs more low cost housing units.

Crop Prospects Are Lowered by High Temperature Week

The temperature continues to run around the 100 degree mark daily.

This high temperature, with no rain, is having a very bad effect upon the prospects for a row crop.

Kenneth Erwin was in Monday and said that he found the early crop and that which was planted too thick is suffering. The late planting and thin planted crops are still in good shape.

Mr. and Mrs. E. H. Cleavinger and daughter, Dagmar, of Norwalk, Calif., and Mr. and Mrs. J. G. Cleavinger of Alhambra, Calif., are visiting relatives here.

Mrs. J. O. Parker and Foster returned from Fort Worth where Foster had an operation on his arm. He is reported doing nicely.

Announce Wedding At Informal Party

The engagement and approaching marriage of Jean Hill to Garland Cavitt of Flomot was announced at an informal party Thursday evening at the home of Mrs. A. M. Roberts.

The guests were greeted by the hostess, Mrs. Roberts, Jean and her mother, Mrs. Ruth Hill. Presiding at the guest book was Miss Mary Ruth Hill.

The serving table was laid with a white lace tablecloth and tapers of yellow and lavender, chosen colors of the bride-elect. The centerpiece was lavender asters with yellow ribbons extended bearing the words "Jean and Garland, August 25th."

Canasta was played during the evening and refreshments of cokes, open-faced sandwiches, nuts and mints were served buffet style to the following guests: Suzanne Barrett, Florence Burtz, Marilyn Williams, June Cleavinger, Sue Ann Davis, Mrs. Clarence Adcock, Mrs. S. S. Howell, Shirley Goodman, Billie Marie Money, Pat Cantrell, Ruth Soll, Tommie Matthews, Valeta Haines, Teddie Howell, and Nancy Adcock.

WESTMINISTER FELLOWSHIP HAS PICNIC SUNDAY EVENING

The Westminister Fellowship had a picnic and vesper services at Buffalo Lake Sunday, August 5th. Including guests from Tulia, Pampa and Borger, 31 were present. Games were enjoyed before the supper hour and after supper, Jerry Elliott, student minister of Tulia, conducted the Vesper Services.

MRS. E. D. WALKER HOSTESS MEETING OF PRISCILLA CLUB

The Priscilla Club met in the home of Mrs. E. D. Walker last Wednesday afternoon, August 1st. Cake and punch were served to Mesdames C. M. Presley, J. W. Shook, Guy Harp, Ray McReynolds, Tom Knighton, Irvin SoRelle, R. A. Hodges, C. M. Dowlen, Alfred Bellah, S. B. Loudder and Mrs. J. M. Daugherty and guest, Mrs. Allan Farlow.

Mrs. Tony Gerber, Mrs. Ray Gerber, Mrs. Bill Gerber and families visited in the Math Albracht home.

Mr. and Mrs. Max Hoffman and family are visiting relatives in Oklahoma.

Mr. Charles Beckman left Friday for Leavenworth, Kansas, to join his wife.

Mr. and Mrs. Gerald Hatfield and son visited Sunday evening with Mr. and Mrs. S. L. Raef.

The Umbarger hard ball team played Vigo Park Sunday with Umbarger winning.

Mrs. H. F. Schaeffer and son, Freddie, have returned to their home in Dallas after spending two weeks in the home of Mr. and Mrs. Bill Bauer. Mrs. Schaeffer is a sister of Mrs. Bauer.

Mr. and Mrs. Bill Bauer, Mrs. Schaeffer and son spent the week-end in Albuquerque, New Mexico, visiting M-Sgt. E. J. Birkenfeld who is a brother of Mrs. Bauer and Mrs. Schaeffer.

Dimmitt Boosters Made Trip Through Canyon on Monday

Old settlers and young performers will join forces to make a great success of the Dimmitt Old Settlers round-up August 10, 11 and 12. In the pioneer rodeo there'll be $1,200 in cash prizes.

The day that most people will probably be more interested in is Saturday, August 11th. This is the day of entertainment and barbecue. A formal barbecue program and delightful square dances will be in progress all day long, Saturday, August 11th.

In the amateur pioneer rodeo there'll be such events as calf roping, ribbon roping, bareback riding, saddle bronc riding, bull riding, bull dogging and ladies' barrel race. A round-up of old fashioned entertainment and food is the offer of Dimmitt during the big celebration of August 10, 11 and 12.

Joseph Stalin's peace offensive has top U. S. military men really worried. If Stalin pushes "peace" for the next 5 years as hard as he has pushed war threats in the last 5, the military worry is that it will be difficult to keep people in a mood to make sacrifices for big rearmament.

War alarms, sounded almost daily by high officials, are part of a planned propaganda offensive designed by the Government's propaganda experts. The catch in the campaign is that if "war" is cried almost daily and big war does not come that day, the effect on public opinion may boomerang after a few more months.

Karl Stefan, Member of Congress from Nebraska: "The Iron Curtain has swept over fourteen countries, placing 779,500,000 peoples under Red control."

Mr. and Mrs. J. B. McGraw of Ft. Worth visited in the Geo. A. Farlow home over the week-end.

Another name for a giraffe is a camelopard.

Miss Graham Will Attend Math Meet

Miss Edna Graham, professor of mathematics at West Texas State College, will attend the 11th annual session of the Institute for Teachers of Mathematics at Duke University, Durham, North Carolina. The meetings will be held Monday, August 5 through Friday, August 17.

More than one thousand mathematic instructors from 37 states and Canada attended last year's meeting, and the representation is expected to be wider this summer.

Speakers will include Henry A. Shannon, Department of Education at the University of North Carolina; Phillip S. Jones, University of Michigan; W. D. Merrifield, director of industrial education of the Chrysler Corporation at Detroit; and Everett S. Lee, editor of The General Electric Review.

Miss Graham plans to attend special laboratories in "Aids in the Study of Algebra," "Mobilization and Mathematics Curriculum," "The Slow Student in Mathematics," and "History, Philosophy and Psychology of Mathematics."

Miss Jo Betty Donald of Midland visited her mother, Mrs. T. V. Donald over the week-end.

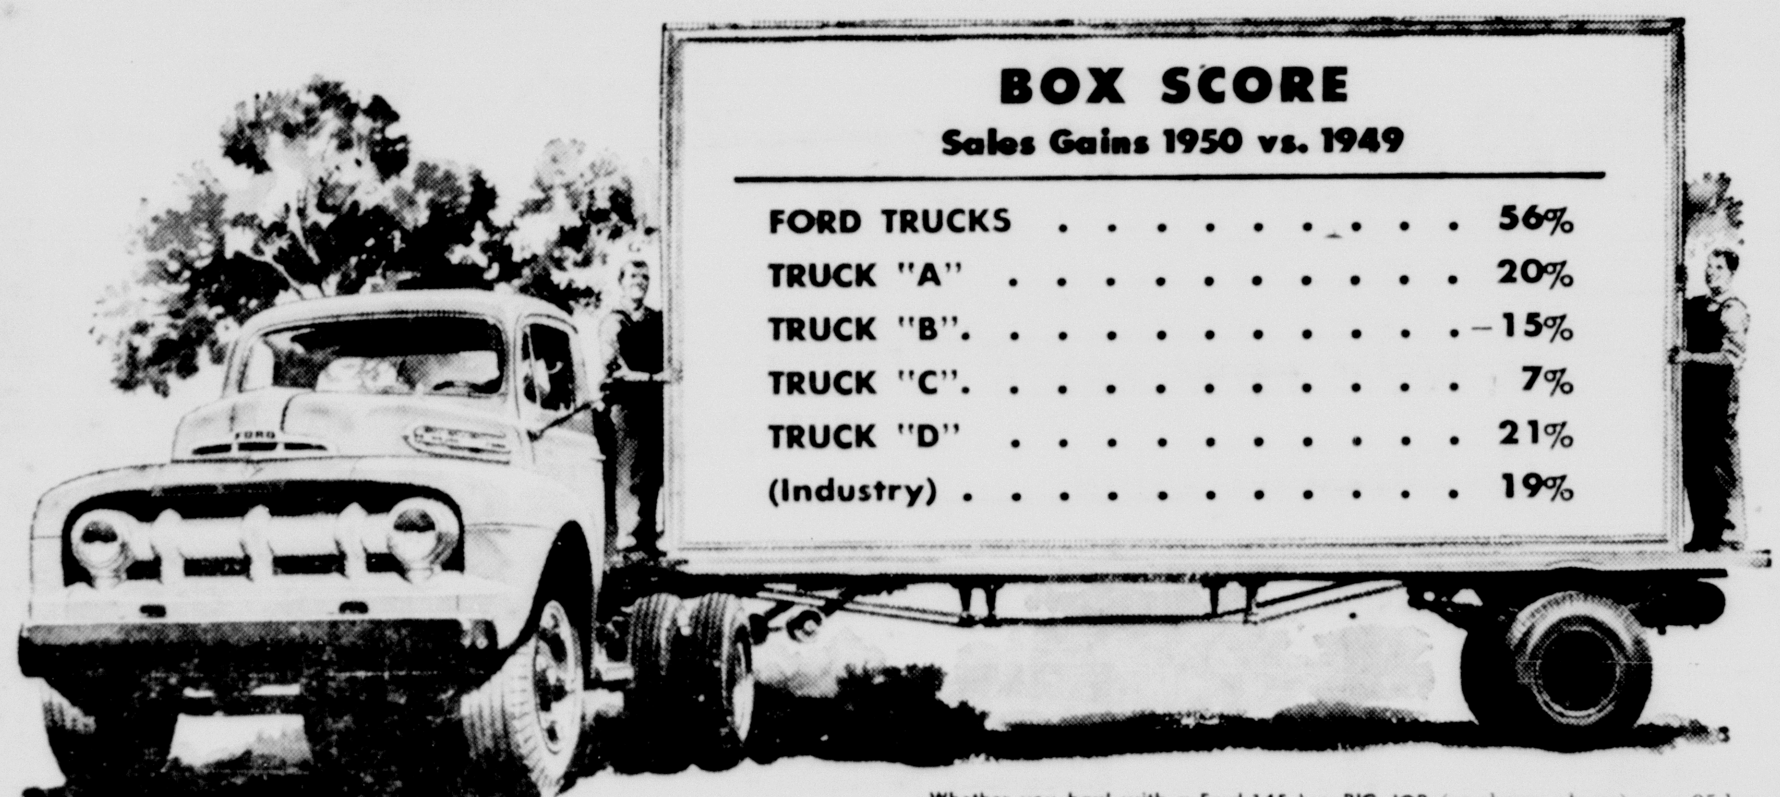
FORD LEADS the truck industry!



BOX SCORE
Sales Gains 1950 vs. 1949

FORD TRUCKS	56%
TRUCK "A"	20%
TRUCK "B"	−15%
TRUCK "C"	7%
TRUCK "D"	21%
(Industry)	19%

Availability of equipment, accessories and trim as illustrated is dependent upon material supply conditions.

Whether you haul with a Ford 145-h.p. BIG JOB (as shown above) or a 95-h.p. Pickup, you save money every mile with the Ford POWER PILOT. Over 180 models. Two new cabs, 5-STAR and 5-STAR EXTRA (at slight added cost).

Sales gains 6 times greater than all other trucks combined!

HERE'S STILL MORE PROOF, FORD'S THE NO. 1 VALUE

1. ECONOMY RUN—
Over 5,000 drivers rolled up over 50 million miles to give you on-the-job cost records of Ford Economy. All Ford Truck models, all truck-using vocations, all road-load conditions were represented in this 6-month Run. The big, nationwide Economy Run provides further proof of how little Ford Trucks cost to run.

2. NEW "CERTIFIED" LONGER LIFE—
Again life insurance experts have proved that Ford Trucks *last longer*. A new certified truck life study just released shows that Ford Trucks last up to 15.4% longer than the 4 other truck sales leaders!

F.D.A.F.

Yes, Ford's out front in sales gains for 1950! Latest truck registration figures (1950 compared to 1949) show Ford has over *double* the greatest sales gain of any competitor, almost *triple* the sales gains of the truck industry and over 6 times greater sales gains than all other makes combined!

Small wonder that Ford Trucks are growing in popularity with such big features as the POWER PILOT, most power from the least gas. And Ford builds over 180 different truck models, with the industry's only choice of V-8 or Six!

FORD TRUCKING COSTS LESS *because...* FORD TRUCKS LAST LONGER

Using latest registration data on 7,318,000 trucks, life insurance experts prove Ford Trucks last longer!

4-H Girls of Randall Have Varied Program

County Home Demonstration Agent Lou Ella Patterson has five chapters of 4-H club girls to put finishing touches upon before the arrival of the county bread show during the last part of August. This year the girls are working on yeast breads. At the county show each girl must show her preparation of whole wheat rolls as well as cinnamon rolls. The girl who makes the highest score on her two breads will have some of her work entered in the Tri-State Fair in Amarillo. Last year the project for the girls was quick breads.

Although cooking is not the only project studied by the 4-H Club girls, it goes along with their pledges. "To make the best better," each 4-H club member takes this pledge. "My head to cleaner thinking. My heart to greater loyalty. My hands to larger service and my health to better living, for my club, my country and my county."

During the winter the girls work on clothing. In April following last winter there was a dress review in which 36 girls participated.

While each club has its own officers and adult leaders, there's still quite a job of directing to be done by the Home Demonstration Agent. The Loyalty Club is one of the five directed by Lou Ella Patterson. President of the loyalty club is Juanelle Burrus, vice-president is Betty Burrus, Secretary is Billie Raye Carter. Gladys Leseberg is the reporter and Mrs. R. A. Burrus with Mrs. G. H. Leseberg make up the adult leaders of this club. The members are: Ruth Ann Bolton, Doris Bourn, Betty Burrus, Jeanelle Burrus, Billie Carter, Gwendolyn Carter, Mona Beth Gilliam, Gladys Leseberg and Zora Lou Stone.

Another one of the 4-H clubs for girls is the FAIRVIEW. Janie Jennings is the president of this club. La Donna Keller is vice-president. Joan Payne is secretary. The reporter is Helen Meyer and the adult leader is Mrs. Clifford Burtz. Members are: Dorothy Cranmer, Kathryn Devenport, Janie Jennings, La Donna Keller, Marilyn Keller, Annette Meyer, Helen Meyer, Ann Moore, Joan Payne, Janelle Reynolds and Alby Ann Kuehler.

LaQuita Patterson is the president of the Fairview 4-H club for girls. The vice president is Billy Bryan while Mickey Bryan serves as secretary. The reporter is Nan Earyle Shipman and Mrs. Richard Evans is the adult leader. Members are: Billy Bryan, Mickey Bryan, Naoma Bryan, Gracyne Devin, Betty Sue Patterson, LaQuita Patterson, Patricia Patterson and Nan Earyle Shipman.

One chapter of the girls borrow a name from the canyons to call themselves the Palo Duro 4-H club. Jimile Jennings is the president of the Palo Duro chapter. The secretary is Jo Hickman and the two adult leaders are Mrs. E. A. Michael and Mrs. Douglas Marshall. Members are: Sarah Jo Hickman, Jimile Jennings, Mary Gladys Marshall, Sandra Michael, Glenna Stroup, Juanita Welch and Sybil Welch.

The Umbarger Jr. Club is presided over by Margaret Friemel. The vice-president is Bernice Grabber and the secretary is Elizabeth Beckman. The reporter is Romilda Gerber while the adult leaders consist of Mrs. Max Hoffman and Miss Leona Grabber. The members are: Shirley Albracht, Elaine Batenhorst, Elizabeth Beckman, Elsie Buecker, Mary Fischbacher, Cecilia Friemel, Charlene Friemel, Joyce Friemel, Margaret Friemel, Stelle Friemel, Romilda Gerber, Bernice Grabber, Betty Hoffman, Evelyn Irlbeck, Helen Raef, Sylvia Raef and Dorothy Skarke. These girls are working to make best things even better.

Welfare Office Handling Large Number of Cases Three Counties

Even though summer time removes some of the extra work of the welfare office, there's still enough work to keep the entire staff busy every day of the week. The office in Canyon serves three counties, Randall, Armstrong and Swisher. Vivian Cummings, local welfare officer, points out that help received through her office is not a pension, as so many people seem to believe. The extra work of the welfare office is in the form of transients and needy persons. This does not fall under the categorical assistance given by the state. This sort of help is needed more in winter than in summer.

State funds are not available for outside cases while the regular duties of the welfare office are placed under three heads. First there's old age assistance. Second there's the aid for dependent children and their families. The third state aid program is the aid for the blind. Any program not coming under these three heads must be financed from some other source than the state and federal funds. A number of local people have pledged $10.00 per year to help finance worthy causes. The American Legion, Red Cross and the Commissioners Court have given help in these causes from time to time.

Last year Armstrong county had 67 aged persons to receive assistance from the Welfare Office. No aid to dependent children was reported and only one case of aid for the blind. In Randall County there were 188 old age assistance cases. One family with 4 children required aid while help for the blind numbered two. In Swisher County there were 124 cases of old age assistance. Two families with six children required aid under the dependent childrens' program and there were three cases of assistance to the blind.

The total cases handled this year through the Canyon branch of the welfare office number 395. These persons must be seen at regular intervals. The result is that between 45 and 65 people per month are receiving or applying for assistance and are seen in person by each field worker. In addition to these duties, out of state and local adoptions to persons in these counties are handled by the welfare office as are the welfare and neglect cases.

Last year the state of Texas ran a deficit of $1,957,555.59 in its welfare work. At the present time state appropriations are $35,000,000, with an additional $65,000,000.00 supplied by the Federal government. In the November election there'll be a constitutional amendment to increase the state supplied $35,000,000.00 to $42,000,000.00 or 35% of the total, the other 65% being supplied by the Federal government.

Under House Bill number 540 the Waco State Home for children will be transferred to the control and management of public welfare offices. A child doesn't necessarily have to be orphaned to get into this home. Children under 16 who are dependent or neglected are eligible for entrance into the Waco State Home for Children. All cases from Armstrong, Randall and Swisher county will be handled through the Welfare Office here.

George Stokes Is Making Fine Record in Radio

George Stokes, former secretary of the Baptist Student Union in Canyon, is working on his Ph. D. thesis from Northwestern University, Evanston, Illinois. Stokes received his first degree, Bachelor of Science, from West Texas State College. His major was voice and his minor was speech. After leaving Canyon he taught in the speech department of Baylor. He is a native Texan and lives on a ranch near Gatesville.

To receive his latter degree Stokes used the thesis of a pronunciation guide of Texas towns. The thesis has been widely used by radio stations throughout the nation and it will be used in its entirety in the new Texas Almanac to be released in September.

The doctorate thesis of George Stokes will be on a Dallas radio station. The title will be, "The history of radio station WFAA and its contributions in public service to life in the southwest." All required class work for the degree has been completed and Stokes is now in Dallas working on his thesis. He plans to complete it in May 1952 when he will return to Northwestern to receive his Ph. D. degree.

A. L. Woods, Former Resident of Canyon, Promoted by Philco

A. L. Woods, formerly of Canyon, recently assumed duties as group supervisor at the Tactical Air Command, Langley Field, Norfolk, Virginia. He was employed as the coordinator of the Philco corporation at Charleston, South Carolina.

Wood's new duties are similar to those at Charleston where he supervised other Philco field engineers for the past two years. His work included the designing of electronic installations at Naval Training Centers and assisting electronic officers in procurement of material and equipment.

In recognition of his work, he received an autographed commendation for a "job well done" from officers and civilians at Charleston Naval Yard.

The engineer is the son of Mrs. Alfred Woods. He joined Philco in January, 1948, and has handled installation work in Japan and Griffiss Air Force Base at Rome, N. Y.

Woods, his wife and three daughters, have moved to Norfolk, Vir.

4-H Club Boys Receive Prizes Pig Production

Three Randall County 4-H Club boys were made happy this week when they received prize money for raising good litters of pigs. Jerry Shipman received $5, Gene Shipman $3, and Rhett Plank $2.

The prize money was donated by Allen Dickinson, a registered swine breeder and a 4-H Club booster. For the last several years Mr. Dickinson has offered this prize money to the boys enrolled in 4-H Club work and working with the Sears Pig Program. The prize money is awarded to the boys who raise the heaviest litters of pigs when they are weighed at 14 days of age. Jerry Shipman raised the heaviest litter and they weighed 85 pounds when they were 14 days old. Gene Shipman, Jerry's brother, raised a 64 pound litter and Rhett Plank raised a 52 pound litter.

All the pigs were registered Poland Chinas. Dickinson has many times furnished expensive breeding stock to 4-H boys at greatly reduced rates. This year he is furnishing boar service for the swine programs from boars that were brought from northern breeders.

The prize money given each year by Mr. Dickinson encourages the youths to do a better job with their swine projects.

GOOD FRIENDS

We realize that many kindnesses shown to Marie and us during her long illness may have unintentionally not been acknowledged; therefore we wish to thank everyone for their prayers, kind thoughts, visits, and gifts. After her going we, the grieved ones, have been overwhelmed by the kindnesses of many friends which have helped us greatly to bear our sorrow. For all of these we are deeply grateful.

Mrs. B. F. Fronabarger, Elva,
Luther, and Ford

Mr. and Mrs. Leroy Pitt and son, Larry Wayne, and Cecia Johnson returned Friday night from a week's vacation visiting relatives in Oklahoma and Arkansas. They made the return trip through the Ozark Mountains and visited with Mr. and Mrs. Walter Partridge and family at Bentonville, Arkansas.

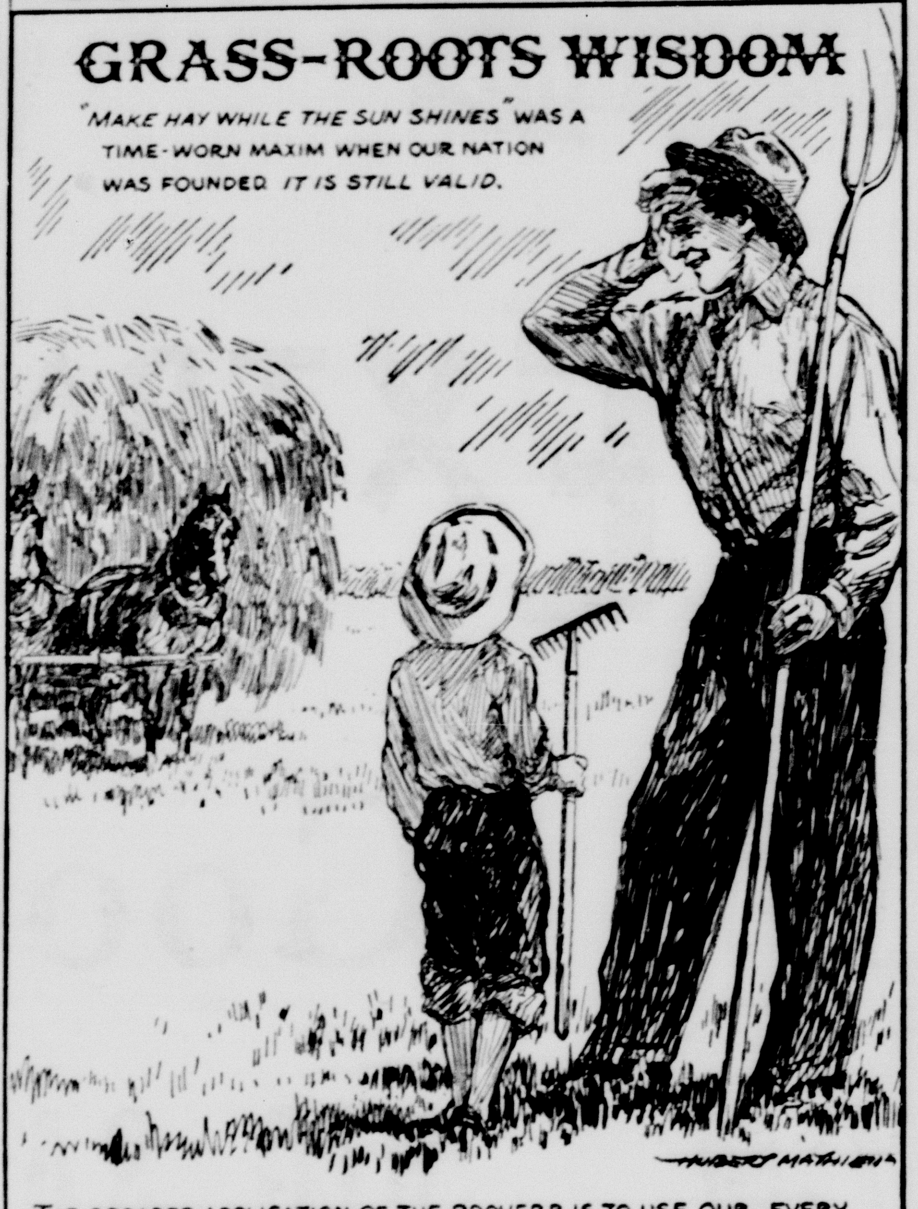
Mr. and Mrs. J. L. Riley, Mrs. Claude Higgins and Little Miss Genne Kay Rusk visited over the week-end in the Jesse Rusk home. Miss Genne Kay is the granddaughter of Mr. and Mrs. Rusk.

Mr. and Mrs. Lewis Reed of El Dorado, Ark., visited Glen Prater, and Billy Samples in San Diego Friday and are visiting in the A. D. Prater home.

Mrs. L. Shuman of Denton is visiting her mother-in-law, Mrs. C. Shuman this week.

Highways and highballs don't mix.

OUR DEMOCRACY——by Mat



GRASS-ROOTS WISDOM
"MAKE HAY WHILE THE SUN SHINES" WAS A TIME-WORN MAXIM WHEN OUR NATION WAS FOUNDED. IT IS STILL VALID.
HUBERT MATHIEU

THE BROADER APPLICATION OF THE PROVERB IS TO USE OUR EVERY OPPORTUNITY TO STORE UP SOMETHING FOR THE FUTURE. "OLD STUFF" OF COURSE, BUT BECAUSE THE GREAT MAJORITY OF THE AMERICAN PEOPLE HAVE "MADE HAY WHILE THE SUN SHINES," THEIR SAVINGS AND LIFE INSURANCE ARE A MIGHTY FOUNDATION OF SECURITY FOR THE NATION AND ITS FAMILIES.

ORDER FOR ADDITIONAL AD VALOREM TAX ELECTION

HOUSE BILL 107.
51ST LEGISLATURE.
REGULAR SESSION, 1949
THE STATE OF TEXAS
COUNTY OF RANDALL

On this the 11th day of June, 1951, the Commissioners' Court of Randall County, Texas, convened in regular session at the regular meeting place thereof at the Courthouse in Canyon, Texas, with the following members of the Court present, to-wit:

Burney Slack, County Judge; P. H. Baber, Commissioner Precinct No. 1; Clarence Beckman, Commissioner Precinct No. 2; Glenn W. Dowlen, Commissioner Precinct No. 3; C. Y. Johnson, Commissioner Precinct No. 4; T. H. Lair, County Clerk; and the following absent: None, constituting a quorum, and among other proceedings passed the following order:

WHEREAS, this Court has investigated the submission to the resident property taxpaying qualified voters the question of submitting to said voters the proposition of voting additional ad valorem tax as provided by House Bill No. 107, Acts of the 51st Legislature, Regular Session, 1949, and this Court after said investigation is of the opinion that it would be beneficial to this county to call said election.

THEREFORE, BE IT ORDERED BY THE COMMISSIONERS' COURT OF RANDALL COUNTY, TEXAS:

That an election be held in said County on the 25th day of August, 1951, which date is sufficient to allow the posting and publishing of notices of said election as herein provided at which election the following proposition shall be submitted to the resident property taxpaying qualified voters of said county for their action thereupon:

PROPOSITION

To determine whether or not said county shall be authorized to levy, assess, and collect ad valorem taxes upon all property within said county, except the first $3,000.00 valuation of residential homesteads, not to exceed 30 cents on each $100.00 valuation in addition to all other ad valorem taxes authorized by the Constitution of the State of Texas, provided the revenue therefrom shall be used for the construction and maintenance of Farm-To-Market and lateral roads, or for flood control, either or both, as the Commissioners' Court of said County may determine as provided in House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949.

That said election shall be held at the following places in said county and the following named persons are hereby appointed Presiding Judges for said election:

Prec. No.	Voting Place	Pre. Judge
No. 1	City Hall	J. W. Shook
No. 2.	Jowell School	J. J. Levitt
No. 3.	Office-Randall County Grain & Supply Co. (Ralph Switch)	Conway Kuykendall
No. 4.	Fairview School	E. W. Schaeffer
No. 5	Granary-Donald Ladehoff farm	Lynn Bennett
No. 6	Hollywood Ser. Sta.	H. W. Burrus
No. 7	Highland School	Geo. E. Mason
No. 8.	Umbarger School	W. P. Janssen
No. 9	Alice Landergin School	W. Perry Powell

The ballots for said election shall have written or printed thereon the following:

"FOR THE TAX OF NOT EXCEEDING 30 CENTS ON EACH ONE HUNDRED DOLLAR ($100.00) VALUATION"

"AGAINST THE TAX OF NOT EXCEEDING 30 CENTS ON EACH ONE HUNDRED DOLLAR ($100.00) VALUATION"

Each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote. The manner of holding said election shall be governed as near as may be by the General Election Laws of the State, except as modified by the provisions of House Bill No. 107, Acts, 51st Legislature, Regular Session, 1949, and none but resident property taxpaying qualified voters of said County who have duly rendered the same for taxation shall be allowed to vote at said election.

Notice of said election shall be given by publication of a copy of this order on the same day in each of two consecutive weeks in a newspaper of general circulation published in said county, the date of the first publication to be not less than fourteen full days prior to the date set for said election. In addition thereto, a copy of this order shall be posted in each voting precinct in said County not less than fourteen full days next before said election.

The County Judge is hereby authorized and directed to cause said notice to be published and posted as hereinabove directed and further orders are reserved until the returns of said election are made by the duly authorized election officials and received by this court.

The above order being read, it was moved and seconded that same do pass. Thereupon, the question being called for, the following members of the court voted AYE: P. H. Baber, Clarence Beckman, Glenn Dowlen, C. Y. Johnson, and the following voted NO: None.

PASSED, APPROVED and ADOPTED, this the 11th day of June, 1951.

Burney Slack, County Judge, P. H. Baber, Commissioner Precinct No. 1; Clarence Beckman, Commissioner Precinct No. 2; Glenn W. Dowlen, Commissioner Precinct No. 3; C. Y. Johnson, Commissioner Precinct No. 4.

17t3

Miss Jesse Fisher, missionary from India, visited over the week-end in the L. S. Fisher home. She is a sister of Mr. Fisher.

Kenneth Fisher is stationed in Jacksonville, Florida, after returning from a ten-day leave. He is in school there.

Mrs. Charlie Hurd of Garfield, Arkansas, visited a week with her sister, Mrs. Carl Laughery. She returned to her home Friday.

Mrs. Mark A. Foster is in Spur this week training persons for Western Union.

Betty Lou Hood of Amarillo visited in the S. R. Hood home over the week-end.

Mr. and Mrs. James Cole and son, Bobby, left Sunday for a vacation trip to California.

President Truman's invitation to labor leaders in a public statement to "come and get it" in the form of a big new round of wage increases is part of a strategy to encourage a new spiral of wage-price rises for which Republicans in Congress can be blamed in 1952.

CORPORATION TAXES

In the fiscal 1951, which ended on June 30, corporation income and profit taxes jumped to $14,358,670,915 from $10,854,351,103 in 1950, but fell short of the $16,027,212,826 peak reached in 1945, according to the Internal Revenue Bureau.

Della Curb-Jones Hales Repeat Vows In Trinity Methodist Church Friday

Friday evening at 8 o'clock, Miss Della Curb became the bride of Jones Hales in a double ring ceremony performed by the Rev. J. Frank Perry at the Trinity Methodist Church.

Parents of the bride are Mr. and Mrs. Claude C. Curb of Amarillo. She is a graduate of Amarillo High School and attended Amarillo College.

The bridegroom's parents are Mr. and Mrs. H. B. Hales, south of Amarillo. Winner of the Lone Star Farmer of Texas degree, the bridegroom graduated from Canyon High School and is manager of the Hales Holstein farm.

As a nuptial prelude, Miss Vera Wilcoxson, pianist, played "Indian Love Call" and "Romance." Mrs. W. W. Singleton, cousin of the bride, sang "I Love You Truly" and "O Perfect Love." The traditional wedding marches were used and "Clair de Lune" was played during the exchange of vows.

Candles were lighted by Miss Claudine Curb, sister of the bride, and Miss Betty Ridings, cousin of the bride. They wore gowns of orchid organdy and marquisette. Their corsages were of white gladioli.

Attending her sister as matron of honor was Mrs. Bennie Cupell of Canyon. Her gown of ice blue satin was designed with a fitted bodice, sweetheart neckline and a bouffant skirt, and her headdress was a bandeau of flowers. She carried a bouquet of pink carnations with blue streamers.

Given in marriage by her father, the bride wore a gown of white slipper satin fashioned with a sweetheart neckline and a fitted bodice which came to a point at center front. The long sleeves pointed at her wrists and the full skirt formed a chapel train. Her veil of French illusion was attached to a band of pearlized orange blossoms. She carried a colonial bouquet of white carnations and stephanotis.

Duane Howard of Canyon served as best man. Ushers were Richmond Hales, brother of the bridegroom, and Bennie Cupell.

For her daughter's wedding, Mrs. Curb wore a dress of gold silk with navy and white accessories. Her corsage was of Talisman roses.

An orchid lace dress, complemented with orchid and navy accessories, was worn by the bridegroom's mother. Her corsage was of pink rosebuds.

A reception was held immediately after the wedding at the church.

For their wedding trip to Colorado, Mrs. Hales wore a wool gabardine aqua suit. Navy and white accessories and a corsage of white carnations completed her ensemble.

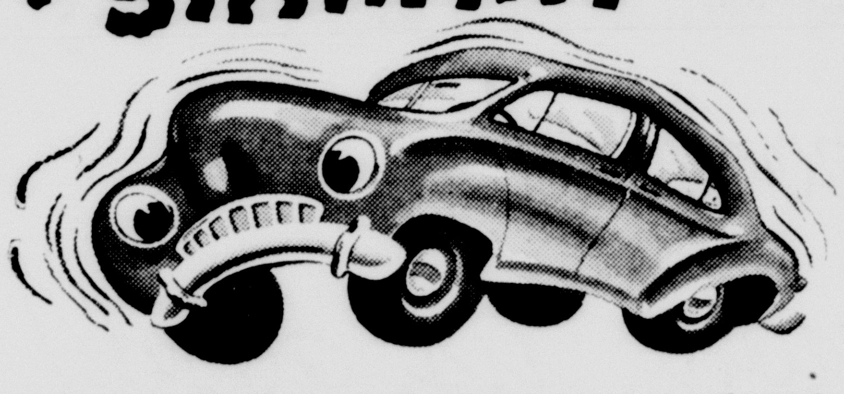
After August 12, the couple will be at home south of Amarillo.

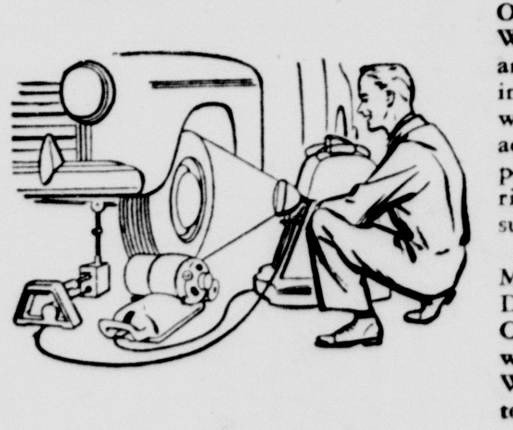
Gen. Hoyt Vandenberg, Staff Chief of the Air Force, has a threatened revolt on his hands over Air Force policy in development and use of tactical air power for use in co-operation with ground troops. Army officials are getting set to insist that they be provided with their own air force if the present independent force refuses to give greater weight to Army ideas of air-ground co-operation.

Carl Vinson, head of the House Armed Services Committee, has informed military men that they can use their own judgment on whether or not to answer Committee questions related to secret information, owing to the tendency of Committee members to "leak" whatever they hear.

A procession of topflight politicians is passing through the Eisenhower headquarters, high-pressuring the point that the General must clear up his political status before or not long after Jan. 1, 1952. A combination of pressure from politicians and pressure of his job of trying to organize a defense for Europe has put Eisenhower to bed twice in recent weeks.

Build, Buy, Live in Canyon!





GET RID OF DRIVING
"SHIMMY"

Don't risk the driving hazard of a car that might slip out of control in traffic or at high speeds. Careful, accurate wheel balancing can assure you safe, *dependable* steering PLUS smoother, easier car riding on every mile you drive.

Our amazing new Stewart-Warner *Electronic* Wheel Balancer does just that – and all in a matter of minutes. Your wheels are balanced quickly, accurately . . . in true running position . . . at *all* speeds . . . right on your own car. The result: a perfectly balanced wheel.

Remember: Balanced Wheels Mean Safer, Smoother, Easier Driving – and Save Tires, Too. Come in and have your car's wheels balanced the Stewart-Warner *Electronic* Way now – today!

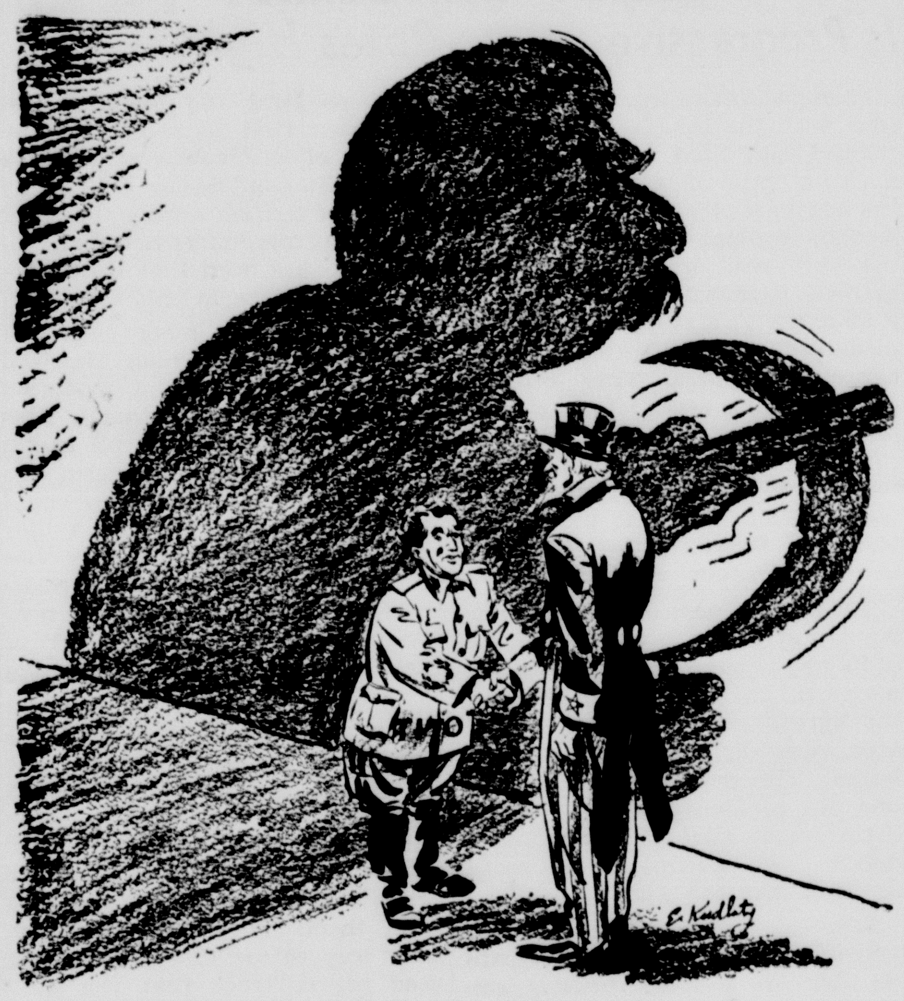
Time to Make Friends



Lutheran Chorus Will Sing in Amarillo on Wednesday, August 15

The Lutheran Chorus of Sheboygan, Wisconsin together with Dr. Edward Rechlin of New York will present a choral and organ concert next Wednesday night, August 15, at 8:15 o'clock at the First Presbyterian Church in Amarillo.

The program is under the sponsorship of the Laymen's League of Trinity Lutheran Church. There will be no admission price, but a voluntary offering will be received to defray expenses. The public is invited to attend.

The Lutheran Chorus of Sheboygan, under the direction of Martin J. Bangert, is on concert tour in eleven southwestern states. This choral group is now in its 27th year of organization.

Dr. Rechlin has played in sacred concerts in churches throughout America and Europe. His philosophy, which has carried him on his world mission, is centered on the principle that the organ has a literature, notably the works of Johann Sebastian Bach.

In addition to his solo selections and improvisations on well-known hymns, Dr. Rechlin will accompany the chorus in the performance of the Bach motet "O Praise The Lord, All Ye Nations."

Fairview Breezes

It is still hot and dry in our vicinity.

Mr. and Mrs. Alvin Wesley and son, Darrell, and Mrs. Harney Rogers were in Levelland Friday night visiting Mr. and Mrs. Wayne Wesley and Mr. and Mrs. Delbert Wesley.

Mrs. Finis Brazil entertained the Home Demonstration Club Friday afternoon with 13 members and one visitor present. Ice cream and cake were served. The members voted to have an all-day quilting at the school house Wednesday. Everyone is invited to bring lunch and spend the day. The proceeds go to the church and club.

Mr. and Mrs. J. W. Wesley and Vesta Amerson and Mrs. Harney Rogers visited Sunday with Mr. and Mrs. Alfred Wesley.

When Gen. Douglas MacArthur referred to the possibility of "reprisals" against him he had in mind a press-conference statement by President Truman on April 26 when the President said that he did have strings on MacArthur but did not intend to pull them. Mr. Truman has power to cut off the General's retirement pay.

William Boyle, Chairman of the Democratic National Committee, is being shot at by big guns of his own party in the Senate. Mr. Boyle, who came up with Mr. Truman through the ranks of the Pendergast machine in Kansas City, uses political methods many in the party seem not to like.

Russian strategy once again is putting main emphasis upon stirring internal trouble in the more backward areas of the world. In Addis Ababa, capital of Ethiopia, as one example, the Russian Embassy staff is expanded to 220, and in other parts of Africa Russians are busy building trouble for the West.

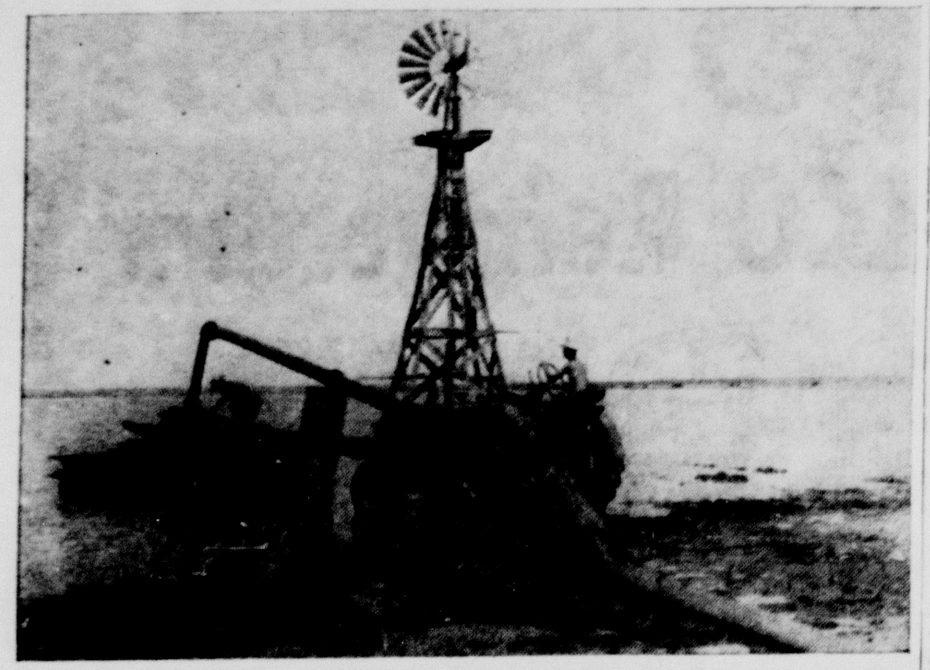
Progressive Use Surface Lake Water



Beside a windmill, which first brought life-giving water to the plains, Jim Russell at the pump and Raymond Hinders on the tractor test machinery for using surface lake water to irrigate. This surface lake, on the Louis Hinders farm, covers about 80 acres. The irrigation project was abandoned temporarily when it was learned that the canvas pipe was only good for an 8 or 10 foot lift. A 21 foot lift was required here.

The plainsmen are still pioneering and the problem is one that discouraged civilization for a number of years in this part of the country. Water, how to obtain it, possess it and use it to the fullest advantage is still a field for pioneering in this part of the country.

The idea that it costs $10,000.00 or more to set up a pumping system for using surface lake water for irrigation purposes has been exploded by several farmers in the Canyon area. The problem before the farmer today is how to get full benefit from the water that has collected in surface lakes. The development of a practical system of using this water for irrigation purposes in the Canyon area is reported to be the result of experiments carried on by the Randall County Vocational School.

The successful venture into the field of using surface lake water for irrigation purposes has been made by Roy Roberts, probably the first in the area. Alvin Kuhlman, Roy Byrd, Jr., and Sonny McNeil have also had pleasing success with their surface lake irrigation projects. Louis Hinders rigged up a pump and canvass pipe for a system requiring about a 20 foot lift. Later when he learned that canvass pipe is only supposed to carry the pressure of an 8 or 10 foot lift, his project has been abandoned temporarily.

If rains continue to fill surface lakes, this development may well be as important to the plains today as the windmill was in its day. Surface lake water can be pumped several hundred gallons per minute faster than well water and surface lake water contains more nitrogen. This facilitates a certain amount of fertilizing when irrigating from a surface lake.

Other localities on the high plains that are using surface lake water for irrigation purposes are: White Deer, Petersburg and Abernathy.

Robert Mickey Has Job in Photography

Robert R. Mickey, airman, USN, of Canyon is now serving as aerial photographer at the Miramer Naval Auxiliary Air Station in San Diego, California.

Mickey was recently graduated from the Photographer's Mate school at the Naval Air Technical Training Unit, Pensacola, Florida. He received his recruit training in San Diego at the U. S. Naval Training Center.

Before entering the Navy, he attended West Texas State High School in Canyon.

J. H. Fish Reliable Well Driller

With the advancement of irrigation in the territory the need for a reliable and competent irrigation well drilling contractor has continually been on the increase and meeting this demand, J. H. Fish, 200 Lake in Hereford, Phone 890-J, offers the irrigation farmers of the district an Irrigation Well Drilling service that is second to none. His drilling crews are thoroughly experienced and he has the most modern drilling equipment to do a good job.

Should you be in need of one or more irrigation wells, J. H. Fish has the necessary "Know How" to drill them and "Put The Water Where You Want It," he will gladly consult with you on your irrigation well problems and make cost estimates without obligation. You will find that his experience in drilling irrigation wells in this territory, his above-board business policies and fair charges will enable you to get the maximum of service at a minimum cost.

We wish to take this opportunity to congratulate J. H. Fish of Hereford on the good record that he has made and the contribution he has made to the advancement of irrigation in our rich area. He has made many friends among those that he has served. The fact that J. H. Fish does the irrigation well drilling for many of the pump companies who contract for Turn-Key Work and has many satisfied irrigation farmers that he has served in the past is indeed a recommendation for his ability and fair treatment and those of our many readers throughout the Mid-Plains and Panhandle who are in need of Irrigation Well Drilling could do no better than consult with J. H. Fish of Hereford.

Statehouse
by HUGH WILLIAMSON

There is some confusion about the Texas Motor Vehicle Responsibility Act.

Most insurance salesmen will give the right information about this new law.

But misunderstanding has been caused by a few unscrupulous persons who have led people to believe that they must buy public liability insurance now.

Here are the facts:

Owner and operators of motor vehicles are not affected by the law until January 1, 1952.

After that date, persons who are involved in traffic accidents must show financial responsibility up to $15,000 or quit driving.

If you have $15,000, you don't have to buy any insurance at all — you may, of course, if you choose.

But if you can't show $15,000 worth of assets, your only way to keep on driving — after that first accident — is to purchase public liability insurance.

If you never have an accident, you are not concerned about this law. But if you are ever involved in a crash, no matter whether you are at fault or not, then you must show financial responsibility.

State officials are taking steps to halt the issuance of misleading statements by insurance people.

Governor Allan Shivers and Col. Homer Garrison, director of the department of public safety, have asked the Board of Insurance Commissioners to stop anyone from implying in advertising that the act is now in effect and that the purchase of a liability insurance policy is compulsory.

Joe P. Gibbs, casualty insurance commissioner, said that appropriate action would be taken against those who employ misstatements in an attempt to sell policies.

Insurance representatives should tell the public about the law and about liability insurance, Gibbs said.

He added that the salesmen must state clearly that the act does not affect motorists until the first of the year, and that thereafter, insurance is not compulsory.

One reason why the Legislature saw fit to pass the responsibility law is there is an ever-growing number of motor vehicles on the road. It stands to reason that the more motor vehicles there are, the more chance for accidents. And there is every reason why drivers and owners of motor vehicles should be brought to realize their responsibility.

The Texas Highway Department reported the other day that there are now 3,132,987 vehicles registered in Texas.

Counting out-of-state cars, there is doubtless one vehicle in Texas for every two people, our population being now about 7,700,000.

The highway department statistician puts it this way: if each Texas vehicle were driven by a Texan, each driver could find only one Texan to run over.

DIES AT OWN PARTY

Tampa, Fla. — As she was greeting a few friends, who had gathered to help her celebrate her eighty-fifth birthday, Mrs. Eva McGrew suddenly said: "Here take my glasses," and fell to the floor. At a hospital she was pronounced dead of a heart attack.

Hereford Ice Co. Is Progressive

Progress is more than just keeping pace with the times—it is a vision coupled with hard work and determination, pride of achievement and the will to succeed. With the most modern equipment and rendering the very best of service to their patrons, Hereford Ice Co. has built a most enviable reputation and has made itself popular throughout this entire trade area. They offer a complete icing service to refrigerator trucks and railway cars that carry the vegetables grown in this territory to all parts of the United States. This service is indispensable and Hereford Ice Company serves the needs most efficiently.

The management of this progressive industry has always gone out of its way to support any worthwhile movement that would tend to better the agricultural conditions of this area, especially the growing of vegetables. This public spirited attitude and its constant effort to better their already splendid service indeed makes them worthy of the praise of the entire community.

We are pleased to highlight the activities of Hereford Ice Company — they are a local industry employing local labor who spend their money right here in our own trade territory. They have contributed liberally to the advancement of the Mid-Plains and Panhandle and we wish for them continued success in the years to come.

Hereford Motor Co. Rates High

Just as Ford and Mercury cars have been first in a great many features of automobile progress, so has the Hereford Motor Co. rapidly gained recognition during the short time it has been under new management and has been first in its service to motorists in this area.

Under the able management of Frank Vogel this popular Hereford concern, who has a modernly equipped service department, does general car repairing on all makes of cars, trucks and irrigation engines. By means of their equipment and factory trained mechanics, they are known for dependable service and are glad to make periodic check-ups and recommend the necessary work to keep your car or truck in the very best of running condition.

The used car department of Hereford Motor Co. always has a wide selection of good used cars, many of them late models with very low mileage. You can always depend on honest values and down-to-earth prices when you buy a used car from them. They will go out of their way to see that you get the used car or truck that you want and will give you a liberal trade-in allowance and will arrange most liberal terms.

We take pleasure in recommending the good service rendered by Hereford Motor Company in their repair department and the splendid reputation that they are building in their used car department and refer our friends and readers of this territory to them, with the assurance that they will enjoy doing business with this outstanding Hereford concern.

EASY

Vacations are easy to plan: The boss tells you when and the wife tells you where.

Whatsoever was the father of a disease, an ill diet was the mother. —George Herbert.

If it's flame cooked you know it's good!
gas
Is used for cooking by 22½ million American families
A tip from . . .
The Flame Room
GLAZED BROILERS
Broilers range from 1 to 2½ pounds. Small broilers are often served whole, 1 to a person. Larger ones are usually split or quartered.
BARBECUE SAUCE (for 4 small broilers)
Saute in ¼ cup olive oil until lightly browned, 2 medium-sized onions, finely chopped.
ADD—
1 cup tomato paste
1 teaspoon salt
1 teaspoon basil
½ cup steak sauce
¼ cup Worcestershire sauce
1 teaspoon dry mustard
½ cup strained honey
Allow to simmer 5 minutes, stirring constantly.
ADD ½ cup red wine (optional)
Allow sauce to come just to the boiling point.
Strain through a fine sieve.
Marinate the broilers in 2 cups of the sauce for an hour. Preheat the gas broiler. Place broilers on the broiling rack, skin side down, so that the bony side is about 3 inches from the flame. Allow the chicken to cook 12 to 20 minutes, turning frequently, and brushing both sides with the barbecue sauce throughout the cooking process.
ENJOY easier broiling . . . more leisure . . . and serve savory, full-flavor foods that will delight the entire family. With *controlled flame cooking* foods retain their natural flavor. Select a gas range—the choice of smart young moderns. Now is the ideal time to see the display of distinctive, new, ***fully** automatic* GAS ranges on display at your dealer's. You're sure to find one that exactly meets your cooking requirements. Every one offers outstanding top-of-range, oven and broiler facilities, plus a host of other advantages.

New and Used Cars Square Deal Auto Company

There is no gamble in buying a used car or truck if careful consideration is given to the reputation of the company from which the purchase is to be made. The prospective purchaser should take every precaution to assure himself that the firm he is dealing with has a background of experience and a record for fair and honest business transactions. In this respect we are able, without hesitation, to recommend **SQUARE DEAL AUTO CO.** across from the Court House in Hereford who always has a wide selection of both new and used cars and trucks, and they will finance their deals right on the spot.

This prominent Hereford car dealer has directed every effort toward satisfying the many customers and friends who have elected to make their trades and purchases from them, with the result that complete satisfaction has followed.

A reputation for absolute dependability has been the goal towards which Leland McMurray, owner-manager of Square Deal Auto Co. has strived since they started in the new and used car business. That they have been eminently successful in their chosen field is evidenced by the fact that they have become "New and Used Car-Truck Headquarters" throughout this trade area and it is appropriate therefore that we pay tribute in the columns of our paper to them for the conduct of their business and to wish for them continued success in the years ahead.

Miss Joy Banister of Plainview is visiting Mr. and Mrs. Bennie Woods. Miss Banister is a sister to Mrs. Woods.

Manning Plumbing Co. Popular Concern

One of the leading plumbing and heating concerns serving the Mid-Plains and Panhandle is Manning Plumbing Co., 325 Avenue "B" in Hereford. Roy Manning, who operates this popular concern, has had wide experience in his line and is always glad to discuss installations of plumbing and heating. He will gladly go into detail with you on complete home water systems in rural areas and will recommend and install pressure pumps that will give you the very best of service.

Manning Plumbing Co. also does all types of plumbing repair work and will be glad to check your furnace or heating system now and either make the necessary repairs or quote prices on installing a new, modern heating plant in your home or commercial building.

We are glad in this review edition of our paper to recommend Manning Plumbing Co. of Hereford for the good record that they have made in their chosen field. Their expert work and quality plumbing and heating equipment, together with their open and above-board business policies have made them most popular and a leader in their line and are worthy of the support of those in the Mid-Plains and Panhandle who may be in need of their services. A telephone call to them at 735 in Hereford will enable you to have the very best in plumbing and heating work, as well as repairs or installation of a home water system, including pressure pumps. Roy Manning and the plumbing company bearing his name are worthy of public mention because of their friendly attitude and the splendid service that they render.

Mr. and Mrs. Ray Wilbanks of Moran were mid-week visitors in the T. E. Beard home. Mrs. Wilbanks and Mrs. Beard are sisters.

Mrs. C. O. Cooper and Mary Lee are visiting Mrs. Stan Hall in Los Angeles, California.

Mrs. Gladdis Samples left Tuesday night for market in Dallas.

Western Wheel Inn Tops For Food

Those in this territory that have enjoyed the splendid food served by Mr. and Mrs. Emmett Sherman at their Western Wheel Inn, 628 W. First Street in Hereford, always look forward to eating there again the very next time they are in Hereford. Amid pleasant surroundings and served by most courteous and efficient waitresses you can enjoy a good Choice Steak, Fried Chicken just like you want it or your favorite Sea Food which is received fresh daily. Western Wheel Inn has the "Best Coffee In Town," and feature the most delicious home-made pies.

The Shermans especially invite our many readers throughout the Mid-Plains and Panhandle to come in and enjoy "Food at its Best" — they will go out of their way to see that you have just what you want, and you will join their many other friends and customers who are loud in their praise of Western Wheel Inn's good steaks, fried chicken and sea food and be sure and try a piece of that home-made pie.

We take this opportunity of congratulating Mr. and Mrs. Emmett Sherman on their outstanding eating establishment and superior menu. They are worthy of the praise their patrons give them and we wish for them continued success in the future.

M. M. 3 Weldon M. "Doc" Bates and family are visiting his brother and wife, Mr. and Mrs. James "Rosy" Bates. "Doc" is on a fifteen day leave. He is to play on the Sub-Marines Raider Football Team. His first game will be in San Diego September 15. Mr. and Mrs. Bates and son are also visiting Mr. and Mrs. Vic Bates and Tommy of Texline, Mr. and Mrs. Roy Simmons of Earth, and Mrs. Lela Mae Bates of Skellytown.

Mr. and Mrs. Carl Martin of Dallas have been visiting with Pat Holland and Mrs. Martin's mother, Mrs. Ralph Marsh.

H & W Implement Co. Serves Area Well

No review of the agricultural interests of our area would be complete without mention of H & W Implement Co., "Your John Deere Dealer" in Hereford and Friona. They also handle **KRAUSE** Plows and are distributors for **AMALIE** Pennsylvania Motor Oil. The Hereford house is operated by O. H. and Dean Herring and R. C. White and D. C. Herring are in charge of the Friona place. At both locations they maintain a complete tractor and farm equipment repair shop, their mechanics are thoroughly experienced and they use only factory engineered parts.

Ever since John Deere invented the first practical steel plow, Deere & Co. has been in the forefront in developing farm machinery. **KRAUSE** Plows are particularly adapted to farming conditions in this territory and H & W Implement Co. invites you to drop in to its place in either Hereford or Friona and let them prove to you how **KRAUSE** Plows have been acclaimed the very best in the Mid-Plains and Panhandle. They will gladly consult with you on your tractor and farm machinery problems and give you a liberal trade allowance on your old tractor or implement.

We are glad to compliment the management of H & W Implement Co. of Hereford and Friona on their good lines of tractors and farm implements, the splendid repair service that they offer our farmers. Our readers will find it a pleasure to do business with H & W Implement Co. because they are known over the entire trade area for their friendly attitude and fair dealing.

Mr. Elmer Wooten and Mr. J. E. Miller attended the Administrators Meeting at S. M. U. in Dallas the past week.

Mr. and Mrs. Cliff Mlinar vacationed over the week-end in Santa Fe, New Mexico.

Chinese checkers is unknown in China.

Announce Wedding

Mrs. Ruth Hill is announcing the engagement and approaching marriage of her daughter, Jean, to Garland K. Cavitt, son of Mr. and Mrs. C. T. Cavitt of Flomot, Texas. The wedding will be August 25 in the First Methodist Church in Canyon.

Noel's Repair Shop Does Good Work

Offering the public a most complete automobile, truck and irrigation motor repair service, also automotive upholstering and custom-tailored seat covers, Noel E. Worley who operates Noel's Repair Shop at 1501 Park Avenue in Hereford, has won favor for the efficient work and fair prices and has customers who depend upon him for all of their mechanical work because they know that Mr. Worley can be depended upon. Whether it is a minor repair job, motor tune up or complete motor overhaul for your irrigation engine, you will receive the same personal attention and good service. Noel's Repair Shop is always glad to furnish cost estimates on the work that they do, without obligation on your part.

This concern's Automobile Upholstering and Custom-Tailored Seat Covers are the very best — they have samples of a wide selection of fabrics, including wool fiber, cotton and the very latest plastics in the latest colors and designs. Their Custom-Tailored Seat Covers, made to your order, will give your car that "New Look" and will out-wear those ready-made, ill-fitting seat covers. The difference in cost is so little and the appearance and long-wear of Custom-Tailored Seat Covers are certainly well worth that small difference. They also make convertible tops and truck seat covers.

Noel E. Worley goes out of his way to satisfy his customers and much of the business that he does, in the repairing of car, truck and irrigation motors and car upholstering and custom-tailored seat covers comes to him for satisfied customers who tell others of the good service and fair treatment that they receive at Noel's Repair Shop. We are glad to recommend this Hereford concern to our many readers throughout the Mid-Plains and Panhandle and wish for Mr. Worley continued success in the years to come.

Mr. and Mrs. E. C. Penick, Jr. and children, Sue and John of Miami, Florida, and Miss Estelle Penick of Madison, Georgia, are visiting the E. C. Penick home. E. C. Penick, Jr. is the son of the Penicks. Miss Estelle Penick is the sister of Mr. Penick.

After spending a ten-day furlough in Canyon, Don Mickey, A. A. U. S. N., is now going to school in Jacksonville, Florida.

Miss Sara Soule of Detroit, Mich., visited in the E. C. Penick home last Tuesday night. She is a cousin to Mrs. Penick.

Hubert Drake is home from Ft. Sill, Oklahoma, on a fifteen day leave visiting his parents.

Jack Drake is now stationed in Tokyo, Japan, and states he is liking it fine.

Pravda predicts failure of U. S. plans for Japanese pact.

RED WATER DISEASE

IN CATTLE

RED WATER DISEASE is an acute, infectious disease usually caused by the organism **CLOSTRIDIUM HEMOLYTICUM**. In certain areas it causes serious losses among range cattle.

SYMPTOMS

Symptoms usually appear suddenly. There is loss of appetite, high temperature, rumination ceases, and in lactating cows milk production drops. The infected animal stands with arched back and tucked up abdomen and has a sluggish, painful gait. Red water disease may be confused with anthrax, and possibly with hemorrhagic septicemia and blackleg, but a characteristic symptom is the faint pink-colored urine, which gradually changes to a reddish, port-wine color as the disease progresses.

PREVENTION

Cattle should be vaccinated with **CLOSTRIDUM HEMOLYTICUM BACTERIN** at least 2 to 3 weeks before the expected season, or before they are moved into infected areas. A single injection usually affords protection lasting through the average pasture season. However, in areas where the disease is prevalent, 2 injections, given at an interval of 2 or more weeks, provide more durable immunity, and in areas where animals are pastured througout the year, the bacterin should be given once every 6 months.

THERE'S no reason under the sun why you should postpone the *extra* satisfaction of owning a Pontiac.

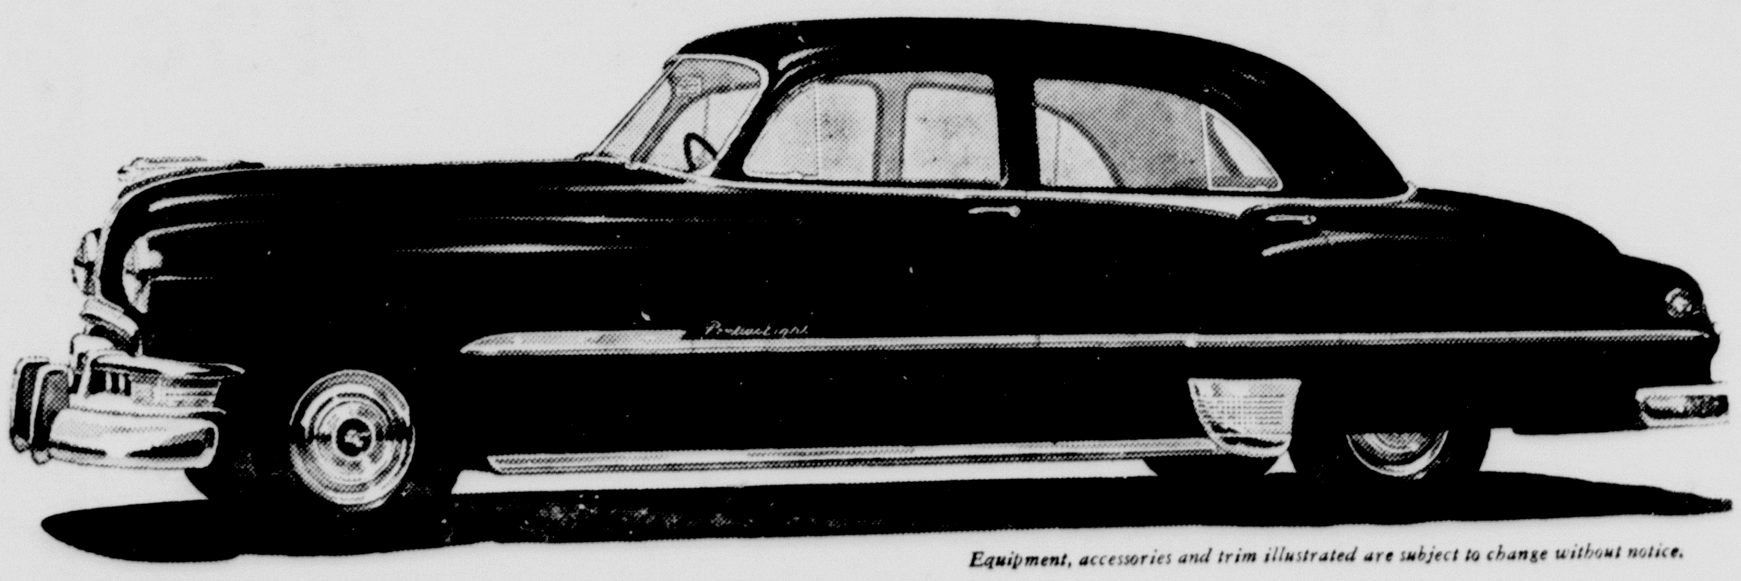
Stop in as soon as you can, we'll work out a deal—and then you'll know what we mean by the extra satisfaction of a Pontiac!

You'll notice it first in the pride you take in your Pontiac's distinctive beauty, for there's nothing else like it.

You'll notice it every mile you drive, for your Pontiac will perform brilliantly, year after year.

You'll notice it, too, in the admiring glances of others, for Pontiac is always sought after, always popular, always valuable.

But best of all you'll notice it very pleasantly on the price tag—for the *extra* satisfaction of a Pontiac costs nothing! If you can afford any new car you can afford a wonderful Pontiac!



Equipment, accessories and trim illustrated are subject to change without notice.
